## Dwelly To Be Honored For CHP Service

Vernon E. Dwelly, Marin's veteran California Highway Patrol sergeant, will be presented with badge No. 1 by CHP Commissioner B. R. Caldwell in Sacramento on Wednesday morning.

Sergeant Dwelly, promoted to his present rank in 1938, has the longest service of any sergeant in the statewide law enforcement agency. A veteran of 29 years with the Highway Patrol, he has been stationed in the Marin detachment almost five years. He is second in command under Capt. T. F. Snow at the San Rafael office.

The 54-year-old sergeant was born in 1904 to Ole and Mary, with his wife, Kay, and two sons, Raymond, 21, a student at Heald's Business College in San Francisco, and their daughter, Barbara, 16, who attends Dominican Convent in San Rafael. Another son, James, 19, is with the Navy at Casuarine Island.

## HERE'S 'MOMMY'?

## Tot Goes Wandering At 5 A.M.

A weeping 2-year old girl who tumbled blonde hair stood on the roadway below 106 Hillside drive in Fairfax at 5 o'clock yesterday morning calling for her "Mommy."

Unknown to her rescuers, the child had been put to bed in a room at 107 Hillside, the home of the Walter Jennings.

Little Kim Meier stopped crying when she was taken into the Jennings' home, bundled in a blanket and given a cup of cocoa. Mrs. Jennings, the little girl was clad in a striped tee shirt and long red pants.

Jennings called Fairfax Police Officer Charles Grasso, who took the little girl to San Rafael General Hospital for an examination and safekeeping. The distraught parents, Mr. and Mrs. Herbert Meier of 104 Redhill avenue in San Anselmo, reclaimed their small daughter at 7 a.m.

Meier, a roofer, and his wife, Mary told police they were spending the night with the Jennings and had put Kim to bed with her sister, Deborah, 5. Mrs. Meier awoke at 6 a.m. and found her youngest daughter gone.

## Science Center To Be Built In Sunnyvale

Marin Site Loses Because Of Lack Of Airport Here

A 130-acre Sunnyvale site has been chosen for a huge science-industrial development because "it is conveniently situated with respect to airport facilities and lies between Santa Clara County's major educational institutions," it was announced today by Christian de Guigne, board chairman of the International Science Foundation.

A Marin County site near San Quentin Point had been among those considered for the center. Lack of airport facilities militated against the Marin location, it was indicated last week by an official of the International Science Foundation and Carroll A. Snyder, manager of the Marin Development Foundation.

Construction work is scheduled to start in May on the 130-acre site between Sunnyvale High School and Lawrence Station road.

### OFFICES, LAB SITES

The industrial park type of development will provide sites for office buildings, research laboratories, facilities for light manufacturing and several commercial activities. It will be called the Santa Clara County International Science Center.

A gift of 15 acres has been offered to the University of California for a University center where employees of nearby firms could enroll for evening educational programs in engineering, science, mathematics and business administration. It would continue a graduate program in engineering sciences started by the university at Sunnyvale last September.

### GIFT ACCEPTANCE

At their meeting of Jan. 23, the U. C. regents voted to accept the gift contingent upon availability of money for development of the land.

One hundred acres will be sold to members of the foundation, which include such firms as General Electric Corp., Rand Corp., International Business Machines and Sylvania Electric Co., among others.

The first International Science Foundation facility was established at the California Academy of Sciences in San Francisco, in 1953. A second ISF facility is being organized at the California Museum of Science and Industry, Los Angeles.

### FIRST OF FOUR

The Sunnyvale center is to be the first of four new ones, a foundation official said last week. Marin may receive one of the others if an airport is developed, it was reported.

Since 1953 when the foundation established its first clearing house in San Francisco, it has received several hundred foreign scientists each year and has sponsored an inventory of current research projects in the Bay Area. Its annual publication, "Scientific Resources of the San Francisco Bay Area," is the first of its kind produced for any major metropolitan area.

## HEAVIEST BAIL EVER PAID:

\$263 IN QUARTERS, HALF DOLLARS

A drunken driving suspect, caught last night on Tiburon boulevard, paid what jailers described as probably the "heaviest bail ever paid" by a county jail inmate.

The bail was \$263—the nominal amount on a drunken driving charge. But it must have weighed 10 pounds, Chief Civil Deputy Floyd Middagh ought to know. He counted out the entire amount—80 half dollars and 892 quarters.

The bagful of coins, all quite legal, was enough to spring Holland K. Bate, 37, of 33 Lakeside drive, Corte Madera, from the jail. He was to appear for arraignment in Marin Municipal Court this afternoon.

The man who paid the bail at 9 o'clock this morning was an acquaintance, Howard Rowbottom of 4875 Paradise drive, Corte Madera. Head Jailer Frank Christ was not sure what kind of work Rowbottom does, but said he apparently has a parking lot where he collects coins.

## Race Bar To Rental In North Marin Alleged

An alleged case of racial discrimination involving a Negro airman's inability to rent a home in North Marin will be studied tonight by the Marin County Committee on Racial Discrimination.

The committee will meet at 8 o'clock in Marin Municipal Court No. 2 in the county courthouse.

Slated for study is a letter from A. Cecil Isaacs of Hamilton Air Force Base. It describes his alleged rebuffs by Novato landlords in his attempts to rent a house. Isaacs is married and has two children.

For a time, the Negro family stayed as guests at the home of Dr. and Mrs. Edward L. Kessel of 1971 Indian Valley road. Dr. Kessel, whose wife, Berta, is secretary of the race bias committee, said he will submit a letter tonight corroborating Airman Isaac's story.

## Missing Girl Found In L.A.

Victoria Jean (Vicky) Prespn, 12-year-old San Rafael girl, was found asleep on a park bench in Los Angeles early yesterday.

She ran away from home Thursday afternoon because her parents "were always fighting" and she couldn't get along with them, Sgt. John Hampton of the Los Angeles Police Department's juvenile division quoted her as saying.

Her father, George W. Prespn, a machinist of 15 Rafael drive, San Rafael, said he had reprimanded Vicky on Wednesday evening but that Thursday morning she seemed all right. She went to St. Raphael's School that morning in her navy blue skirt and white middie uniform as usual.

A classmate saw Vicky sitting in the San Rafael Greyhound bus depot Thursday afternoon. The girl said Vicky told her she had a dental appointment in San Anselmo.

## Publicity, Not Suicide His Aim

SAN FRANCISCO (UPI) — Claude Swapp, 41, a welder, said he intended to jump from the Golden Gate Bridge today, but he took an unusual precaution.

He called authorities and announced that he would make the leap at 5:30 a.m. Swapp explained to waiting police: "I just wanted to get my picture in the paper."

## Chessman Hits Delay In Case, Asks Release

SAN FRANCISCO (UPI) — Caryl Chessman, 37, in a 109-page brief filed with the California Supreme Court today, accused the state of "willful" delay in disposing of his case.

He demanded that he be discharged from custody at once.

Chessman, in San Quentin Prison's condemned row, said there has been "inexcusable due process mistakes by the state judiciary" in his appeal involving transcript of his June, 1948, trial.

Chessman was given two death sentences on conviction of kidnapping with bodily harm and also was sentenced for attempted rape, sex perversion and robbery.

He said that 20 months ago — on June 10, 1957 — the U.S. Supreme Court ordered the state court to grant a new hearing on his trial transcript which he alleged had been fraudulently prepared for his original appeal.

At a hearing in Los Angeles in November, 1958, Chessman represented himself and lost his contention that the trial transcript was faulty.

The case is again before the state Supreme Court on a ruling in Los Angeles by Superior Judge Walter R. Evans that the transcript was accurate.

Chessman said it soon will be 11 years since he was sentenced to death and that the "only constitutional solution" of his case is his immediate release.

## Doctor, Wife 'Certain To Plead Innocent'

Dr. Jack E. Willis, 41-year-old Mill Valley obstetrician, and his wife Josephine, 42, will "most certainly plead innocent" to a charge of illegal surgery, their attorney declared today.

Berwyn A. Rice, making it clear he was representing the doctor only for this morning's court appearance, said his clients have indicated they fight the charges all the way. Rice said he has not yet been retained by the couple as their lawyer and therefore asked that the case be continued for arraignment.

### FREE ON BAIL

Judge Thomas F. Keating set next Monday morning for the arraignment. The Willis are free on \$2,500 bail each.

Dr. Willis, who has his office at 17 Throckmorton avenue, Mill Valley, quietly declined to discuss the case today. He shook his head and replied "no comment" to reporters.

### JURY INDICTMENT

A 37-year-old mother from Contra Costa County declared the doctor, with his wife serving as nurse, performed illegal surgery on her at the doctor's Mill Valley office last October. On the basis of her testimony, the Marin County Grand Jury indicted Dr. Willis and his wife on the abortion charge.

Dist. Atty. W. O. Weissich said he has reason to believe the doctor charged \$500 for each operation, then returned the money if the operation did not succeed completely.

## Police Patrol Car Bumps Into Truck

A San Rafael police patrol car was damaged about 12:35 a.m. today when Officer Leon A. deLisle Jr. backed it into a flatbed truck at 26 Woodland avenue.

DeLisle said he was investigating noises near the Pierce Van and Storage Co. when he backed the police car into the truck. He said there was minor damage to the rear of the police vehicle.

## Novato Boy Caught Slashing Bike Tires

A 16-year-old Novato boy was caught Saturday evening as he allegedly started to slash bicycle tires with a pen knife in the garage of Henry A. Erickson at 1743 Center road, Novato.

Erickson said the bike tires of his two sons had been slashed about 15 times in the last two months. He hid in the garage Saturday and caught the boy as he started to cut a bike tire, he told sheriff's deputies.

The 16-year-old told officers five addresses where he had cut tires, they reported. He was cited to appear in Juvenile Court.

## Federal Aid Offered To Build Schools

\$2½ Billion Plan Would Give Help To Needy Districts

WASHINGTON (UPI) — The Eisenhower Administration today proposed a new program of aid to communities and colleges which cannot afford needed new construction.

The long-range aid program would cost the federal government an estimated two and one-half billion dollars over a 25-year period. Details of the draft bills were outlined by Secretary Arthur S. Flemming at a news conference.

### IT'S IN BUDGET

He said the plan was "consistent with the fiscal policies of this administration." He said it could be handled within the framework of President Eisenhower's narrowly balanced 77 billion dollar 1960 budget and will require no cash payments in fiscal 1960.

Under the proposed program of aid for elementary and high school construction, the federal government would agree to pay principal and interest on new school construction bonds on a 50-50 matching basis with the states.

### 25-YEAR PLAN

Flemming said the maximum federal payment on elementary and high school bonds would be 85 million dollars and the aggregate potential cost would be about two million dollars over approximately 25 years.

The program, Flemming said, would be available only to communities which lack the

## Storm Flags Flying All Over State

SAN FRANCISCO (UPI) — Storm warnings were flying on the Northern California coast today as a blustering rain storm swept southward down the state.

The storm should give way to scattered showers tomorrow, the forecaster said.

There was moderate rain and winds up to 30 miles an hour at Crescent City this morning. The Weather Bureau said the rain would spread southward during the day, reaching Santa Maria and Bakersfield tonight, then continue into Southern California.

Moderate to locally heavy precipitation is likely, said Forecaster L. B. Rasey, as far south as the mountains of Southern California. The snow level will be down to about 1,000 feet in the extreme north.

Storm warnings were displayed on the coast from Point Arena, in lower Mendocino County northward into Oregon for southerly winds of 30 to 45 miles an hour, shifting to northwest tonight. Small craft warnings were up from Point Arena south to Point Reyes, Marin County, for southwest winds of 20 to 35 miles an hour.

## Tornado Strikes 2 Missouri Towns

CARTHAGE, Mo. (UPI) — A tornado dipped down at least four times near here today, but first reports indicated no loss of life.

Coming out of the southwest, the twister hit the southeast edge of Joplin, Duenweg, Duquesne and in a rural area a mile east of this southwest Missouri city.

# Building Total In Big Jump For January

Marin City, Other Projects Give Industry 140% Lift

Marin County building got off to a flying start for 1959 with issuance of permits for a total of \$7,198,294 in January, according to the monthly tabulation prepared by the Marin Development Foundation.

This is 89.6 per cent more than the \$3,991,545 of permits issued in January, 1958, and 140.6 per cent more than December's total of \$2,991,545, noted Carroll A. Snyder, Development Foundation manager.

Award of the contract for 300 units of public housing at Marin City accounted for almost exactly half the total—\$3,756,670. But even without that large project, the month's permits were greater than normal for January, said Snyder.

Permits were issued for 529 dwelling units valued at \$6,691,966, including 146 single family homes, nine apartment houses totaling 73 units, and

## West Marin School Tax Before Voters

Residents of the West Marin School District will vote tomorrow on a proposal to double the district's tax rate limit from 80 cents to \$1.60.

Also on the ballot will be a proposal to issue \$52,000 in bonds to finance a two-classroom addition to West Marin School at Point Reyes Station.

The school now has five classrooms, with one class — the seventh grade — occupying

quarters in the Community Presbyterian Church one-fourth mile from the school.

The district currently operates on its 80-cent general purpose tax plus eight cents for retirement annuities and contract retirement and 23 cents for bond redemption.

Two polling places will be open tomorrow from noon to 7 p.m. They are at the Inverness Firehouse and the West Marin School.

## 'EAT AND RUN' SAYS SIGN, THEY REVERSE IT

"Eat and Run Drive-In" says the sign at a Kentfield eating place.

Three teen-aged boys did just that Friday night, Sheriff's Deputy James Baird reported. They must have read the sign backwards: They ran first and apparently ate afterwards.

Miss Sonia Lilly, one of the waitresses, said the youths, about 17 to 19 years old, ordered hamburgers and drinks totaling \$4.50. After the order was placed on the counter, one of them said, "And one milk shake." As Miss Lilly turned around to make the milk shake, the three grabbed the food and drinks, then fled north on College avenue.

## Engle Goes Clamming In West Marin

U.S. Senator Clair Engle was a guest in Marin over the weekend and participated in his first clamming expedition.

Senator Engle was the guest of Roger Kent at a luncheon and outing at the Kent cottage in Bolinas yesterday. Engle is on a quick trip to the coast from his duties in Washington.

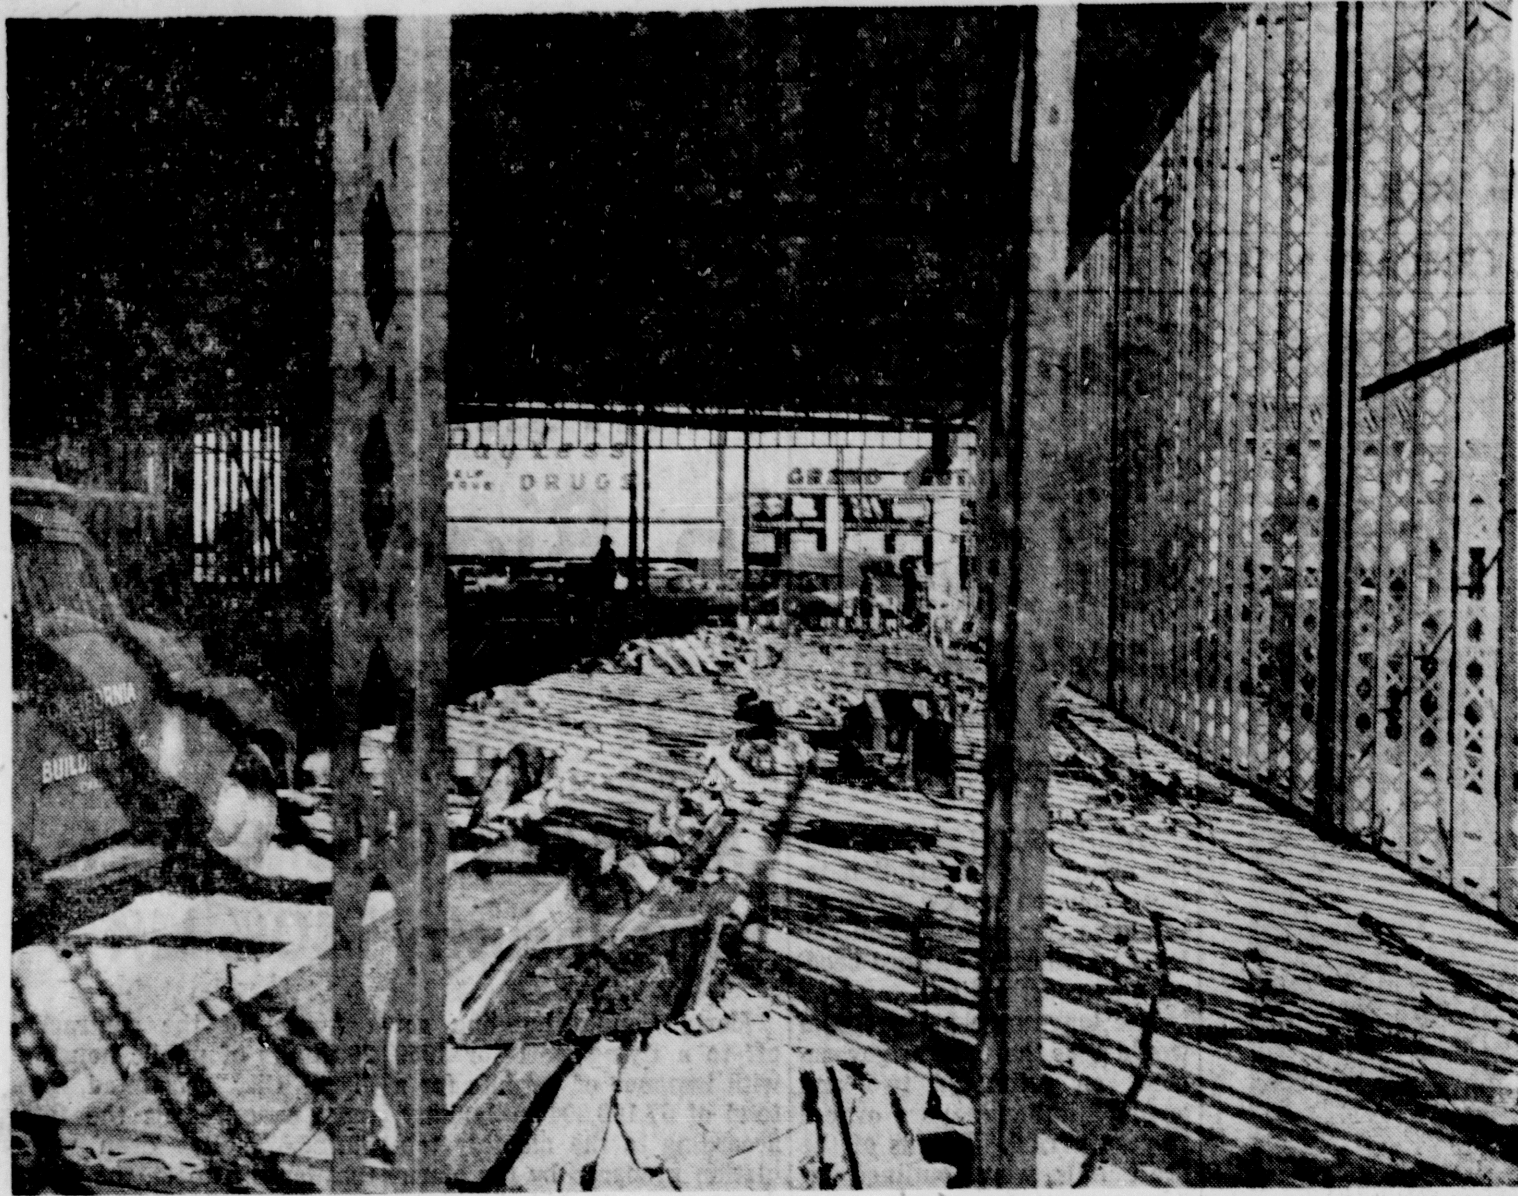

Other guests at the luncheon were Mrs. Elizabeth Smith, Democratic national committeewoman of Kent Woodlands, and State Senator and Mrs. Jack Hollister of Santa Barbara.

Kent took the group on a successful clamming expedition after the luncheon.

### NEW HOME READIED FOR AUTO SUPPLY STORE

This large but now littered interior will be the home about April 1 of Ed's Auto Supply, in the former Purity Store location at Third and Cijos streets, San Rafael. The all-steel framed building is being erected by California Steel Co. for Jack Zander. It will provide 4,300 square feet of floor

space in which owners Coleman (Ed) Wexler and Saul M. Smith of the auto supply firm will stock the Marin-made Marauder line of Catamaran boats, plus boat supplies, in addition to auto parts and supplies and home and garden supplies. The firm has been in business in San Rafael for about a quarter century. (Independent-Journal photo)

### Legislators Press To Speed Up Vote Count

SACRAMENTO (UP)—A move by the press to speed up and otherwise streamline the counting of California election votes was put before the Legislature today.

Sen. James A. Cobey (D-Merced) and Assemblyman Robert W. Crown (D-Oakland) said they would introduce five bills today to correct the sometimes agonizing, always slow process of finding out who wins California elections.

"The new counting procedures authorized by these bills should take California out of the horse and buggy age and into electronic age as far as vote tabulating is concerned," Cobey said.

"There is no reason why the results of elections should not be available to the public in both a speedy and accurate fashion," he said. "You know what happened last time. Some of the returns took a week at least."

### STOCKS TODAY

NEW YORK (UP)—The stock market was sharply lower late this afternoon as trading quieted following early selling squalls.

Volume for the day was estimated at 3,300,000 shares compared with 3,010,600 on Friday.

Leading issues were down from fractions to two or more points. American Telephone lost more than two, Du Pont about four and high priced International Business Machines around five.

Losses of about two points or more were also taken by Youngstown Sheet, Kennecott, Jones and Laughlin, General Electric, Texas Co., Gulf Oil and Merck.

Down a point or so were U.S. Steel, Republic Steel, Bethlehem, General Motors, Goodrich, Boeing, International Telephone, American Cyanamid, Allied Chemical, Union Carbide, Westinghouse Electric, New York Central, Standard Oil (New Jersey), Royal Dutch, Amerasia, Liggett and Myers, American Tobacco and Schering.

Lukens Steel bucked the downward trend with a two-point jump. Caterpillar and Sears, Roebuck made fractional gains.

U.S. government bonds drifted lower.

### Reuther Says U.S. Policies Cut Production

WASHINGTON (UP)—Walter Reuther told Congress today that different governmental policies could have pushed the nation's production more than 100 billion dollars higher in the past six years.

"This production that we have now forever lost could well have spelled the difference between an unchallenged continuation of United States world leadership and the threatened, uneasy position in which we find ourselves today," he said.

Reuther, head of the United Auto Workers and an AFL-CIO vice president, outlined an extensive program of government activities he said would assure full employment and economic growth. His testimony was prepared for the Senate-House Economic Committee studying general economic trends.

Before the same group, the U.S. Chamber of Commerce policies are the greatest single cause of inflation, exceeding acts of both business and labor in that respect.

Reuther called on the government to work toward increased consumer buying power, extension of the Fair Labor Standards Act coverage to millions of workers in trade and services, raising the present \$1 an hour minimum wage to at least \$1.25, and a concerted program of federal aid to depressed areas.

The Chamber of Commerce urged a different approach.

The chamber said possible inflationary effects of private market power, whether of business or labor, are insignificant when compared to the inflation generated by government spending, taxing and debt policies.

Views of the chamber were presented by its assistant director of economic research, Walter Fackler.

Both the chamber and the National Assn. of Manufacturers called for federal tax re-vamping.

Fackler said in his prepared testimony the present tax system penalizes success, discourages initiative and restricts investment.

He also recommended new approaches to federal-state relations, describing the present programs of federal grants to states as wasteful. He suggested encouragement of state and local governments to provide educational and community facilities.

### Improvement Clubs To Study Tax Hike

The proposed 65-cent increase in the tax rate ceiling of Tamalpais Union High School District will be debated tonight at an 8 o'clock meeting of the Marin Federation of Improvement Clubs in the county courthouse.

Voters of the district will decide Feb. 17 whether the general fund rate ceiling should be raised from \$1.25 to \$1.90 per \$100 assessed valuation.

At tonight's meeting, federation members also will hear several reports on matters of countywide interest, including future development of Richardson Bay.

### Jobless Total Climbing Near 5 Million Mark

WASHINGTON (UP)—Unemployment is climbing back close to the five-million mark, economists reported today. They said a figure approaching that mark may be shown in the government's January count, due out tomorrow.

Joblessness normally rises in the winter months because of the weather's effect on construction, farm and other outdoor activities. The five-million

mark has not been exceeded since last April, when the jobless count was 5,120,000.

But in recent months job idleness has been running a little ahead of corresponding months a year ago. In December the total was 4,108,000 or 734,000 more than the 3,374,000 in December 1957.

The figure for January 1958 was 4,494,000, a jump of well over a million from December.

### CIVIC-MINDED, HIS PLANS FOR FIRE GO AWRY

Richard W. Hammond of 34 Sutter court, Little Reed Heights, a recently elected director of the Reed Heights Improvement Club, decided yesterday to take his new job to heart and dispose of the remains of cartons which youngsters had been using to slide down grass into a nearby gulley.

Gathering them in a pile, he set them afire.

The cartons were consumed and in addition, the Tiburon peninsula had its first grass fire on the season. There was no damage, however, according to Tiburon Fire Chief Jack Ishmael.

### Insurance For Dental Care Urged In U.S.

CHICAGO (UP)—The U.S. surgeon general today urged the nation's dentists to follow the medical profession's lead in group insurance and prepayment plans.

Dentistry has not aggressively supported plans, Dr. Leroy E. Burney said, "whereby groups and individuals may finance their dental care expenses as they do their major hospital and medical care expenses."

Burney told the 94th mid-winter meeting of the Chicago Dental Society several other state dental associations have made progress in the field, but "large segments of the population are not now profiting from the sizeable advances already made in the prevention and treatment of disease."

"This is nowhere more apparent than in the field of dental care and dental public health," he said.

Without naming them, Burney also chided "certain minority groups" for blocking fluoridation of public water supplies to fight tooth decay.

### Races Postponed

DAYTONA BEACH, Fla. (UP)—Qualifying trials for late model sedans and convertibles, postponed yesterday because of rain, are scheduled to be resumed today at Daytona International Speedway.

### Novatan Asks \$100,000 In Truck Mishap

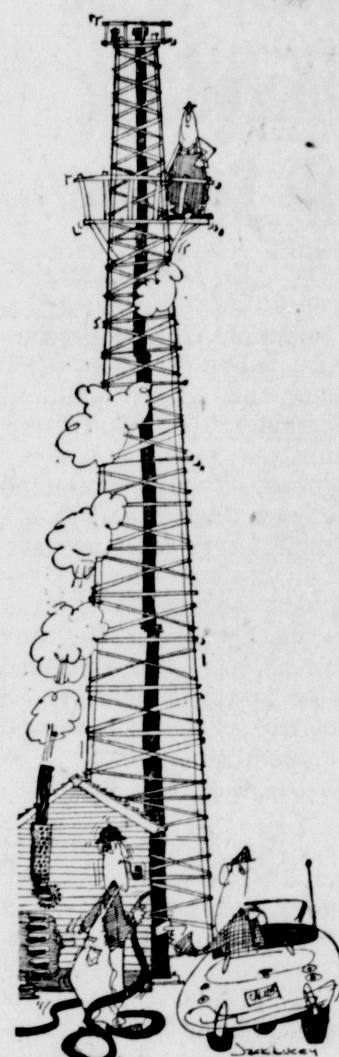

A Novato automobile painter seeks \$100,000 damages for injuries suffered when a tow truck in which he was riding overturned last September.

Hugh J. Butler, 42, of 775 McClay road is suing John Garatti of Garatti Motors and truck driver Robert A. DeJoria, 41. The suit was filed Friday in Marin Superior Court.

According to Butler, he joined DeJoria in the tow truck last Sept. 14 at DeJoria's request. On a fire road near Leisure lane, at the Elbright Ranch, the truck overturned on him, Butler contends. He says he suffered a crushed chest, rib fractures, lung puncture and other severe injuries.

Butler seeks \$100,000 general damages plus \$2,366 for loss of wages and \$3,013 for medical costs.

#### I-J EDITOR RECEIVES AWARD

Gov. Edmund G. (Pat) Brown presents Jack J. Craemer, Independent-Journal managing editor, plaque awarded for best typography among California newspapers of more than 7,500 circulation, won by the I-J for the second consecutive year. The award was made at a dinner meeting of the California Newspaper Publishers Assn. in San Francisco. The I-J also received honorable mention for its editorial page. (Associated Press photo)

#### Novato Grocer Seeks Post On Fire Board

Novato grocery store proprietor George Warden, 47, has become the second candidate to file for the post of Novato Fire District commissioner, making necessary an election in the district on April 7.

Warden, owner of the R and W. Market at 902 Grant Avenue and a volunteer fireman, is opposed by 32-year-old Eugene Kaehler, building contractor, who filed for the post last week.

The term of Clarence J. Peters is expiring. Peters announced his intention to retire as commissioner at the end of his term.

Warden, a resident of Novato for nine years, lives with his wife Marie, and their two children, Cathy, 6, and Mike, 5, at 30 Las Alondras court. He is a native of San Rafael.

Deadline for filing petitions of candidacy is Wednesday noon, according to Fire Chief George J. Cavallero.

#### Fairfax Woman Injured In Crash

Mrs. Evelyn Lillian Benson, 47, of 420 Scenic road, Fairfax, suffered injuries of nose and knees Saturday evening in a three-car collision on Highway 101 about one-fourth mile south of the Richardson Bay Bridge.

Franklin Edwin Thomas, 33, a San Francisco carpenter, was making a U-turn across Highway 101 from the west shoulder when his car was struck broadside by the car of Raymond J. Ford, 44, of San Francisco, according to the California Highway Patrol. Mrs. Benson's car struck the rear of Ford's southbound car.

Thomas was booked at the county jail on charges of drunken driving and making a U-turn over the center divider.

#### POOR MORPHEUS

Insomnia sufferers of old ate raw white onions to woo the arms of Morpheus. Pity the poor husband or wife! Today we have more reliable methods of inducing sleep . . . sleeping pills and the tranquilizers for example. But, these medications are prescription items and should be taken only upon the advice of your physician. Check the obvious reasons for sleeplessness first—it may be caused by a lumpy mattress. Then, if the condition continues, see your doctor. If he recommends medication, we'll be glad to fill his prescription.

### Contractor Freed Of Morals Charge

Marin City contractor Vertis Denver Spigner, 31, acquitted by jury of a rape attempt charge, is also free of the lesser charge of contributing to the delinquency of a 14-year-old girl.

Dist. Atty. W. O. Weissich today asked Judge Thomas F. Keating of Marin Superior Court to dismiss the lesser charge "in the interest of justice." Weissich's decision came because a jury found Spigner innocent of attempted rape, and failed to agree on the lesser charge.

The girl, who had been babysitting in a Belveron Gardens home, charged that Spigner held a razor in his hand, threatened her, and tried to attack her last Sept. 8. Spigner denied the charges. He testified he took the razor away from the girl because she was threatening suicide.

### Man Picked Up For Parole Violation

Robert Charles Richey, 24, arrested Friday night at 19 Francis avenue, Larkspur, was to be transported to San Francisco today to face a charge of parole violation. He is expected to appear tomorrow in Department 11 of San Francisco Superior Court to answer the charge.

Larkspur police arrested Richey at the home of his brother, Thomas B. Richey. The warrant was based on a Sept. 1956 San Francisco grand jury indictment on charges of rape, burglary and sex perversion.

Richey was held at county jail on \$1,000 cash or \$2,000 bond before being turned over to the San Francisco sheriff's office.

### USF Gives Scholarship To Graduate Of Marin

John Kunst, former student body president at College of Marin, has been awarded a \$250 scholarship for the 1959 spring semester by University of San Francisco.

A graduate of Marin Catholic High School, Kunst has completed two years at College of Marin. He was editor of the school year book and student vice president. He majored in business administration. Kunst is a son of Mrs. Mary H. Kunst of San Anselmo.

### Claus Circle Planting Bids To Be Opened

The Fairfax City Council is expected to open bids tonight for the job of planting a lawn in Claus circle.

Last month, the council indicated it would have the job done if the cost were not excessive. Councilmen William L. Hughes and Rolfe M. Ocken-den were asked to prepare specifications and issue a call for two sets of bids, one for a lawn with a sprinkler system and one without.

Neither councilman could be reached today for comment on the number of bids, if any, they have received.

The council will meet at 8

o'clock in its chambers at 18 Bank street.

Other items of business will include a planning commission report recommending denial of Thomas Hotchkin's request for apartment zoning of land between Manor School and Oak Glen subdivision, a request by the Fairfax Merchants Assn. for installation of lights near the Fairfax pits, and final reading of a proposed ordinance prohibiting use of Center boulevard by commercial vehicles of more than three tons gross weight.

### Tiburon Fire Meeting

The Tiburon Fire Protection District commissioners will meet tomorrow at 7:30 p.m. at the Tiburon boulevard fire-house, according to Secretary G. Richard Donaldson. The meeting was postponed twice last week due to a lack of quorum.

### LAW IN ACTION

### Writing A Will Dates Back To Ancient Egypt

(This column, written by California lawyers, appears regularly in the Independent-Journal.)

You cannot take it with you, but with a will you can at least see that your property goes where you can do the most good after you're gone.

Writing a will is an old privilege. The Egyptians wrote them 30 centuries before Christ, the Biblical characters wrote them, and so did the Romans. Copies of Augustus Caesar's bronze tablet will was placed all over his empire. Fortunately you don't need a bronze tablet will. A typewritten or handwritten will is acceptable.

#### STATE DECIDES

If you die without a will, "intestate," the California "statute of descent" lays out how and to whom your property goes. This may mean that those nearest and dearest may be left out. If you die intestate without any heir or next of kin, the State of California gets the property.

The advantages of a will are great. The will insures that property will go to whom you wish. It often allows you to save on inheritance taxes, and

you name the person who carries out your wishes.

Your will must be in writing and signed by you. Unless the will is all in the maker's handwriting, you must get at least two competent witnesses present at the same time to witness your signing the will. They then sign in the presence of both the maker and each other.

Wills do not have to be notarized.

#### CODICILS ONLY

The will cannot be changed by an addition after being witnessed, like writing in the margin. A will may be changed by a codicil. Generally you must make out a codicil the way you made out your will.

Do-it-yourself wills often backfire. Even without litigation such wills may cause the loss of the valuable advantages which one's heirs gain from a well planned and drafted will.

Often a home made will has to be taken to court because it didn't make things clear as to who gets what and how much. Wills may be invalid also because they were not changed properly. One advantage of a will is that you can change it at any time to meet new situations.

## SCHOOLS

Continued from page 1  
resources to finance their own classroom needs.

The plan would be in effect for new construction started in the next five years. Flemming said it would cover up to three billion dollars worth of construction of elementary and high school buildings.

Under the program for college classrooms and housing, the federal government would put an annual payment of 25 million dollars to retire debts. The aggregate federal cost would be 500 million dollars over 25 years.

Under the draft bill for elementary and high school aid, the federal government would annually advance half of the funds required by needy school districts to pay the principal and interest charges on bonds issued by the districts to finance school construction projects if the states in which the districts are located undertake to put up the remaining half of the payments.

In order to participate in this program, Flemming said the states would have to determine priorities among needy districts according to their relative needs for facilities and financial assistance.

### Narcotic Poisoning Kills 3 Young Men

SACRAMENTO (P) — The deaths of three young men in three days from narcotics poisoning set Sacramento police looking today for the source of the drugs.

Dead are Jerry Blair, 24; Roy Ernest Cook and Peter Garcia, both 23. Garcia was found dead in a city park on Friday. Cook died in Sacramento Hospital Saturday. Blair died at a friend's house yesterday.

Police said they have not established that the trio had seen each other recently. Blair was to have appeared in court today on a charge of robbing a drug store of narcotics.

### Larkspur School Trustees To Meet

Trustees of the Larkspur School District tonight will hear a progress report on construction of the district's third elementary school and an evaluation of the new electives system at Larkspur-Corte Madera School.

Supt. Carl Tivel said he did not know whether the trustees tonight will pick a date for a bond election to finance a fourth school for the district across Highway 101.

"We know we will need a bond issue, but I'm not yet ready to recommend a date," Tivel said. Trustee John W. Boyd said Friday he expected the board to call for the bond issue at the May 19 trustee election.

The meeting tonight will be at 7:30 o'clock at Larkspur-Corte Madera School.

### Woman Lying In Street Jailed

A woman found lying on her back in the eastbound lanes of San Rafael's Fourth street in front of Macy's department store was covered with a blanket by a solicitous passerby and locked up for her own good at the county jail by San Rafael police.

Mrs. Esther Margaret Carew, 52, of 22 G street, San Rafael, told police she wanted a car to run over her. She was noticed at 1:16 a.m. yesterday by Oliver Fiedler of 208 Los Ranchitos, San Rafael, who covered her with a blanket until police arrived.

Police booked Mrs. Carew on charges of disturbing the peace and vagrancy.

### Lida May Coen Funeral Held

Funeral services were held in Berkeley yesterday for Mrs. Lida May Coen, 88, who died in Mill Valley Saturday.

Mrs. Coen, formerly a resident of Berkeley, had been living with Mr. and Mrs. George H. Tucker at 182 Almonte boulevard, Mill Valley, during 27 months of illness. Mrs. Tucker, a friend, was her nurse.

A native of Missouri, Mrs. Coen had lived in Albuquerque, N.M., before moving to Berkeley. She belonged to the Nazarene Church in Albuquerque.

Survivors are her husband, Ira C. Coen of Berkeley, who is a retired carpenter; a daughter and three sons, Mrs. L. H. Schierenbeck of Berkeley, Hugh D. Coen of Roseville, Hearst Coen of Pittsburgh, Pa., and Wayne W. Coen of San Rafael; two brothers, Gregory Pinnell of Pampa, Tex., and Everett Pinnell of Grandfield, Okla.; 15 grandchildren and 24 great-grandchildren.

### Belveron Woman Dies Of Asthma

Mrs. Marjorie M. Gill, Belveron Gardens homemaker, died at 10:40 a.m. today in a local hospital, where she was rushed yesterday after suffering a severe asthmatic attack. She was 46.

The Tiburon Fire Department dispatched its resuscitator to Mrs. Gill's home at 480 Washington court yesterday at 11 a.m. when she was having difficulty breathing. Four bottles of oxygen were administered, then Mrs. Gill, who had been afflicted with asthma for 10 years, was transferred to the hospital by Marin Ambulance.

She was a resident of Marin County five years, having lived in Oakland prior to coming here. She was born in Stockton.

Surviving are her husband, Howard Gill, maintenance superintendent at Lando Products, Inc. in Sausalito; her mother, Mrs. Kathryn Hartsock, who shared their home; and two brothers, Harry Hartsock of Bakersfield and Herbert Hartsock of Lower Lake, Lake County.

Funeral arrangements have not yet been made.

### Funeral Rites Held For Joseph Sikes

Funeral services were to be held today in Eldridge, Sonoma County, for Joseph Barnhardt Sikes, 24, Sonoma State Hospital psychiatric technician and brother of Mrs. Cecelia Dixon of Sausalito.

Sikes was found dead of a rifle shot at the hospital, where he resided, last Thursday. Sonoma County sheriff's officers said the shot was self-inflicted.

### Nerves Produce Variety of Ills

by Dr. Robert W. Pearce

Too many of us have been told, your trouble is nerves, just nerves.

Nervousness is not unusual. But it should not be dismissed lightly. More and more doctors are coming to the conclusion that nervous tension is the result of a chemical imbalance in the body.

Nerves can cause an upset stomach, pains in the chest, legs and other parts of the body. What causes these pains and the chemical imbalance in the body?

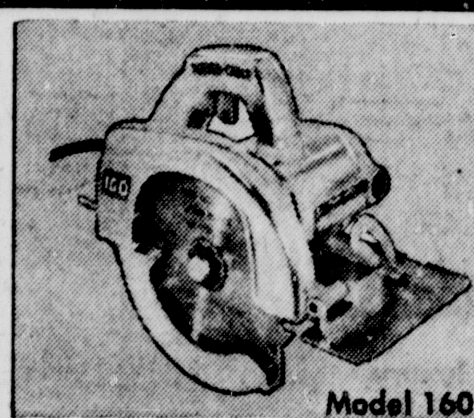

Your spine consists of 24 bone segments. These bones sit on top of each other. They have a hole in the center and through this hole passes your spinal cord and the nerves to all parts of your body.

A fall, a sudden twist or even

poor posture may move one of these spinal segments or vertebrae slightly out of line. Nerves become pinched when this happens and a chemical imbalance can result. You begin to feel irritable and have pains and eventually break down in health.

Chiropractors use X-ray and other scientific instruments to determine whether your nervous tension is caused by a misaligned spine. They are well-trained to correct such defects and help restore you to health.

For additional information on Chiropractic care (Palmer Method) write Dr. Robert W. Pearce at 1628 Fifth Avenue in San Rafael, or address a card or letter to Dr. R. W. Pearce in care of Box 725, or call GL 3-6201.

**DULLES RETURNS** — Secretary of State John Foster Dulles reads a statement to newsmen today at National Airport in Washington as he returns from a flying trip to the capitals of the United States' European allies. The secretary said agreement was reached generally on procedures to follow if Russia invokes "physical means" to block access to Berlin. (AP Wirephoto)

## Allies Agreed On Action In Blockade, Says Dulles

WASHINGTON (AP) — Secretary of State John Foster Dulles said today the Western Allies have agreed generally on procedures to follow if the Soviet Union invokes "physical means" to block access to Berlin.

He also renewed the West's offer to talk about a general settlement.

"We are willing to talk with the Soviets in a sincere effort to reach agreements," he said.

Dulles returned to Washington after talks at London, Paris and Bonn.

In a prepared statement Dulles told newsmen his talks abroad "reconfirmed the unity and firmness of our position."

"We do not accept any substitution of East Germans for the Soviet Union in its responsibilities toward Berlin and its

## Greece, Turkey Nearing Accord Over Cyprus

ZURICH, Switzerland (AP) — Greece and Turkey were reported near agreement today on a draft constitution for an independent Cyprus, with the Turkish minority to have a veto over matters of foreign relations, defense and internal security.

The tentative charter would give the North Atlantic Treaty Organization control of military bases on the British crown colony island in the eastern Mediterranean. But it has not yet been agreed whether Greek or Turkish troops will replace those parts of the British garrisons to be withdrawn.

### MINISTERS MEETING

The question of the garrisons may be left for further discussions when Prime Ministers Constantine Karamanlis of Greece and Adnan Menderes of Turkey meet later with British Prime Minister Harold Macmillan.

As far as constitutional arrangements are concerned, Britain reportedly has informed Greece and Turkey it will accept any solution they agree on.

### NEGOTIATORS LISTED

Karamanlis and Menderes may reject the negotiations today. Since their two meetings Friday, when the conference opened negotiations have been carried on by Foreign Ministers Evangelos Averoff of Greece and Fatin Rustu Zorlu of Turkey.

The draft constitution, agreed on in principle, would make the British colony an independent republic. But it specifies that no part of the island would ever become a part of Greece or Turkey.

### SEPARATE BODIES

There would be separate parliamentary bodies for the Turkish minority of 100,000 and the Greek majority of 400,000, with a joint upper house in which each community would be represented proportionately.

The negotiators were reported moving toward agreement that matters concerning foreign affairs, defense or internal security would have to be approved by both the Greek and Turkish communities.

Cyprus has been wracked by strife—and NATO defenses in the eastern Mediterranean threatened—since November 1955 when Greek-Cypriots stepped up a guerilla-terrorist campaign to join Cyprus with Greece.

The Turkish-speaking islanders prefer British rule but demanded partition of Cyprus if the British got out.

## Generals Say Anti-Missile Plans Vetoed

WASHINGTON (AP) — Two Army generals testified today that their recommendation for an urgent program to produce a new anti-missile missile was rejected by Defense Secretary Neil H. McElroy.

The two Army missile experts told the House Space Committee they felt McElroy's decision was a mistake in the light of Russian missile advances.

The testimony came from Maj. Gen. William W. Dick Jr., Army special weapons chief, and Maj. Gen. Dwight E. Beach, Army Air Defense director.

They said the United States should spend 30 million dollars on the problems this fiscal year and 700 million the next but the amounts were cut from the budget.

The program was important, they said because this country has no other defense weapons against enemy intercontinental ballistic missiles in development other than the Nike-Zeus.

The three-stage Nike-Zeus, powered by solid propellants, is designed specifically to knock down attacking enemy ICBM's. The two generals said there was "a basic difference of opinion" in the Pentagon over whether the Nike-Zeus was in the proper stage of development to go ahead with actual production facilities.

## World Church Leaders Meet In Geneva

GENEVA (AP) — Religious leaders from all over the world gathered here today to review the common problems facing churches of the Orthodox, Anglican and Protestant faiths.

The occasion was the semi-annual executive committee meeting of the World Council of Churches, which embraces 171 Christian churches, other than the Roman Catholics, in some 50 countries.

### POLICY DECISIONS

Future council policy probably will be heavily influenced by the decisions of the committee.

Top interest was centered on a planned discussion of Pope John XXIII's call for a worldwide church gathering, probably in 1961, to discuss ways of increasing Christian unity.

The committee may indicate some of the subjects the world's non-Roman Christians would like to discuss in any meeting with the Vatican.

### STRICT SECRECY

The committee meetings at council headquarters here will be held in strict secrecy. They end Feb. 13.

Dr. Franklin Clark Fry, U.S. Lutheran leader, will preside at the discussions.

Other Americans on the committee are Dr. Eugene Carson Blake, Presbyterian; Prof. George Florovsky, Orthodox; Bishop G. Bromley Oxnam, Methodist and Dean Liston Pope, Congregationalist.

Episcopal Bishop Henry Knox Sherrill is expected to sit in at the committee sessions in his capacity as one of the five presidents of the World Council of Churches.

### NSGW Initiation

Raymond H. Shone of San Rafael, grand president of the Native Sons of the Golden West, will initiate officers of Sonoma County parlor next Monday evening at Sebastiani Hall in Sonoma.

## DRIPPING HOT DOGS GOT YOU DOWN? RELAX

OILTON, Okla. (AP) — Now comes a hot dog cone.

H. C. Fogle, used car dealer, says he has a bun mold designed to prevent hot dogs from dripping. He says the U.S. Patent Office informed him it has approved the mold for a patent.

The apparatus bakes the leakproof bun, with one end open, ready to hold a weiner and its seasoning. It can be eaten like an ice cream cone.

## Cuba Executions Unofficially At 289

HAVANA (AP) — Executions in Cuba rose today to 289, by unofficial count, with the death of a former army captain before a firing squad in Santa Clara, Las Villas province.

Fidel Castro, the rebel chief, and Provisional President Manuel Urrutia arranged to lead a funeral cortege to Havana cemetery for formal burial services for 19 of those who came to Cuba with Castro in 1956 to start the revolution. The bodies were brought here from Oriente province for the services.

## Scientist Found Dead In Mystery

MANCHESTER, England (AP) — An electronics scientist working on a secret government project was found dead from poison last night in his laboratory.

Police said they did not suspect foul play but would not give details.

The scientist was Dr. James Darbyshire, 52, chief physicist of a research department at the Ferranti electronics plant. He died in the middle of a series of experiments.

Darbyshire gave up a day off to return to the plant. A colleague found him dead.

The Ferranti plant is working on a rocket guidance system, among other things.

A Ferranti official said: "There is a strict security blackout."

## TOO MUCH SPARE TIME

## Listener Usually 'Hears' Fourth Of What You Say

CHICAGO (AP) — Do people really listen when you talk?

The odds are strong that you fail to imbed more than one-sixth to one-fourth of your message in their memories, an educator said today.

Dr. Ralph G. Nichols, head of the University of Minnesota's communications program told a management seminar at the American College of Hospital Administrators:

The average person who listens to somebody talk remembers only half of what he has heard. And of what he has barely learned, he forgets from one-half to one-third within eight hours.

Why all the inattention? Dr. Nichols puts much of the blame on misuse of spare thinking time. This is the way he reasons:

People think much faster than the 125 words the average American speaks per minute. This leaves spare time to think.

You can let your mind wander and miss much of the mes-

sage or use the following processes designed for more efficient comprehension:

Think ahead of the talker, anticipating, if possible, where the talk is leading and what conclusions can be drawn from what is being spoken at the moment.

Weigh the evidence the talker has used to support the points he makes. Is it valid? Complete?

Review and summarize periodically the points of the talk so far completed.

Listen between the lines, searching for meanings that might not have been put into words. Watch facial expressions, gestures, tones of voice.

Dr. Nichols says our brains become overstimulated — at the expense of good listening — when we hear something that clashes with our most deeply rooted prejudices, notions, convictions or complexes.

To protect against this threat, he said, hear the man out and withhold judgments and decisions until then.

## U.S. Challenges Russ To Hear Tape Of Air Attack

WASHINGTON (AP) — Soviet officials were challenged again today to listen to the recording of what the United States claims was a conversation among Russian pilots as they shot down an unarmed American transport plane last September.

State Department Press Officer Lincoln White issued the challenge in repeating the U.S. declaration that the tape was authentic. Russia charged over the weekend that it was a fabrication and "clumsy farce."

White, noting that Moscow Radio broadcast the fake charges in languages other than Russian, also dared the Kremlin to tell the Soviet people about the recording.

"They can yell foul and fake until they are blue in the face but the facts speak for themselves," White said.

He recalled that Undersecretary of State Robert Murphy wanted to play the tape on Nov. 13 for Russian Ambassador Mikhail A. Menshikov and the Russian Embassy air attaché.

"Both studiously avoided hearing it," White added.

Obviously angered by the Russian charges of fake, White said not one word on the matter had been received officially and that the United States still was waiting for a reply to Murphy's official statement to Menshikov last November.

The Air Force transport with 17 men aboard was shot down last Sept. 2 over Soviet Armenia. The tape-recording, origin of which was kept secret, was a purported conversation between Russian fighter pilots as they blasted the plane into a flaming wreck.

## ADVERTISER AT WORK!

Whether it's to aid distraught mothers, busy retailers or manufacturers, advertising is ready with a helping hand. On the pages of this newspaper, right on through the classified, you'll see ads that are working hard to help advertisers sell their products or services.

Advertising helps by spreading the word throughout the length and breadth of the land. As more people are informed, more products are sold. The demand snowballs and causes greater production, resulting in constantly improved products at lower cost.

Nowhere else in the world is advertising used so effectively and extensively — and nowhere else is there such a high standard of living. Advertising helped to bring on this high standard of living. Thus, you are the one who benefits from advertising!

## Novato Horsemen Oppose Hunting

Novato Horsemen Inc. has gone on record as opposed to opening the Tamalpais park area for hunting, publicity chairman Emma Cazaniga reported today.

The Novato Horsemen feel the area should be kept for the use of hikers and riders, she said.

Mr. and Mrs. Keith Craig will be host and hostess for a dance of the club on Saturday.

A 10-mile branch ride is planned for Feb. 22. It will begin at 10 a.m. at the "C" Ranch. The group will ride up Burdell Mountain into the Hale ranch where breakfast will be served. Reservations may be made with Sgt. Neville Chilson, chairman, or Oliver Mauch.

# Knee-Ballers Battle To Scoreless Tie; And, Man, Are Their Knees Sore

Sixteen Marin County men got down on their hands and knees for the March of Dimes Saturday, and today they're nursing aching muscles and plenty tender kneecaps.

They competed in a sport called "Knee-Ball" on the College of Marin football field—Knee-Ball being football played on your knees on a miniature field measuring 50 yards in length and 15 yards in width.

With a crowd of approximately 150 persons cheering (and laughing) the teams battled to a scoreless tie, although the Tovani Terrors of Kent-

field made the most serious threat, driving to the three-yard line before the San Rafael Fighting Irish stopped the drive.

The game was four 10-minute quarters with all passes, runs, tackles, blocks, etc. done from a kneeling position.

Besides the skinned knees, there were only two casualties on the Fighting Irish team. Bob Troppman, athletic director at Redwood High School, suffered a bump on his forehead while Richie Nave came out of a pileup with a split lip.

The Fighting Irish made four first downs to the Terrors' two, but their deepest penetration

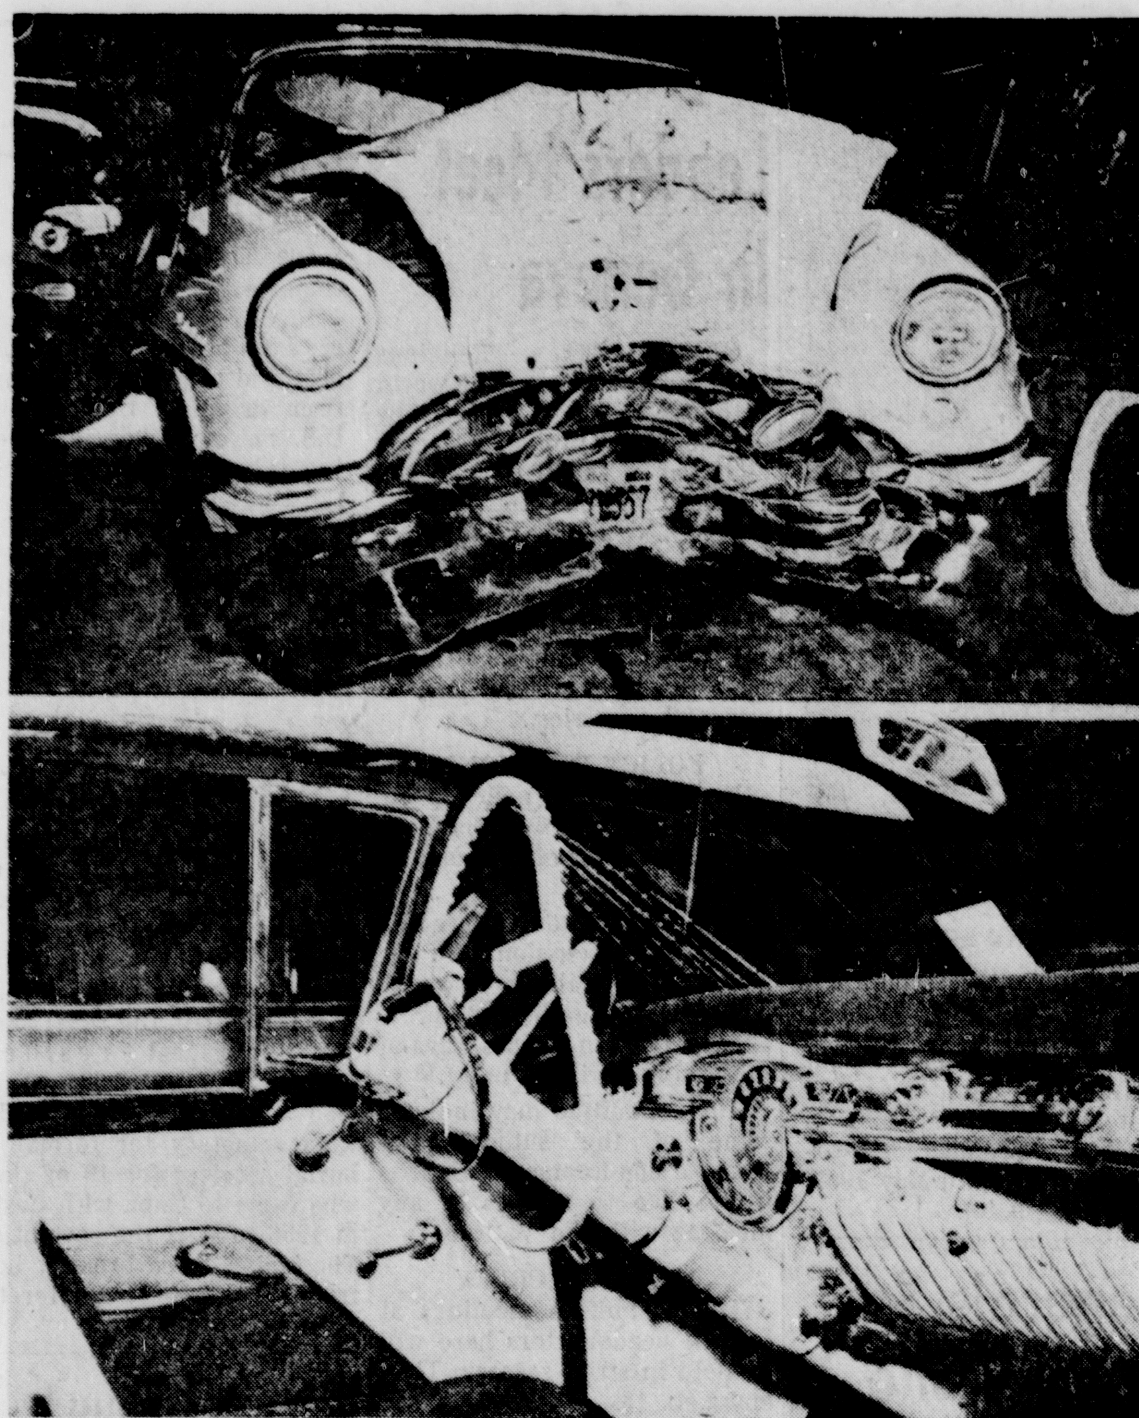

was to the 10-yard line. Both teams sported mighty defenses and several players looked like future All-Americans.

The Tovani team included Gordon Tovani Ken Corsiglia, Al Carr, Frank Lucas, Art Molinari, Les Williams and Norm Travis.

The Fighting Irish included Troppman, Rich, Bob and Billy Nave, Jack McDonough, Tom McGrath, Joe Sullivan and Jim Gilmartin.

Approximately \$20 was raised for the March of Dimes.

A rematch? Well, the boys said they may play again after their bodies return to normal condition.

## Littler Hangs On To Win Phoenix Open; Wall Second

PHOENIX, Ariz. (P)—Professional golfer's touring caravan headed for Tucson today with Gene Littler the latest to pocket a tournament championship check.

Littler scrambled in yesterday with a one-over-par 71 to collect \$2,400 in the \$20,000 Phoenix Open.

The 28-year-old San Diego golfer toured the 72 holes in a 12-under-par 268 that tied a tourney record set in 1948 by Bobby Locke.

spectacular shots and some awful poor shots," had to scramble throughout the round. He shot par on only five holes and he picked up one eagle, four birdies and seven bogies.

That eagle came on the par-4, 395-yard fourth hole, when the Californian sank a 160-yard approach shot.

Grouped at 276 were Lloyd Mangrum, Apple Valley, Calif.; Dick Mayer, St. Petersburg, Fla.; Tommy Jacobs, Whittier, Calif., and Paul Harney, Worcester, Mass.

Runnerup Art Wall Jr., Pocomo Manor, Pa., was six strokes down when the final round opened, but chopped away five of them with a sizzling 66.

Littler provided a heart-stopper for the record gallery of 8,000 when he came to the 18th needing only a par-5 to win. He missed a 4-foot putt and the ball bounced two feet past the cup. Then he rammed it home for his first championship since the Las Vegas Tournament of Champions in April 1957.

Wall collected \$1,700 for his second place finish and boosted his winnings for the year to \$13,600—tops among the touring pros.

Tied for third place were Jimmy Clark, Huntington Beach, Calif.; Marty Furgol, Lemont, Ill., and John McMullin, Fair Oaks, Calif. All seven strokes back, collected \$1,133.

# ACCIDENT IN EAST BAY 'Rig' Hurt, Will Miss Early Spring Drills

WALNUT CREEK (P)—The San Francisco Giants open spring training preliminaries this week without Manager Bill Rigney, painfully injured in an auto crash yesterday.

Rigney suffered multiple fractures of the lower jaw and a broken collarbone when his car rammed a power pole in nearby Berkeley. His wife, Paula, 38, suffered a broken hip and lacerations of the scalp and legs.

The Rigneyes, parents of three children, were driving home from a dinner party at Giant Vice President Chub Feeney's San Mateo home, when the accident happened at 4:30 a.m.

Rigney told police he apparently fell asleep at the wheel. The car reportedly struck the pole at about 35 miles an hour.

Both Rigney, 41, and his wife were reported in good condition at Kaiser Hospital. The family physician said Rigney would be hospitalized about a week, and would have to remain home another 10 days. Mrs. Rigney will be hospitalized considerably longer.

In Phoenix, Ariz., Giant President Horace Stoneham said he would let Rigney decide who will be in nominal charge. Stoneham indicated, however, it would either be F. J. "Salty" Parker or Wes Westrum, both coaches.

"That part isn't too important," Stoneham said. "The pre-

liminary practice is just routine and Rig should be with us when the serious work starts."

Both Parker and Westrum were Rigney aides last season when the Giants finished in third place.

A group of selected veterans arrive Thursday at the Buckhorn Spa at Mesa, near the regular Giant camp at Phoenix. This is basically a conditioning camp. A second early camp for rookies and farm club prospects begins Feb. 23. The first exhibition game is against the

Cleveland Indians at Tucson March 7.

The job of setting Rigney's jaw took about four hours and involved much dental work to save his teeth. The collarbone was merely bandaged, the doctor said, and did not require setting.

He added that "These things usually shape up pretty well."

Rigney took over as Giant manager in 1955. He managed Minneapolis in the American Assn. for two years before that.

# Schedule Favors Cal To Win Title Again

By ASSOCIATED PRESS

Coach Pete Newell is not yet claiming the Pacific Coast Conference title, but there is no doubt his California Bears took two long steps toward it when they beat UCLA and Southern Cal at Los Angeles.

The Bears, with a 6-2 league record, now are half a game ahead of second place Washington and play five of their remaining eight games at Berkeley.

Two of those games are against last place Washington State and only the two against Oregon State are against first

division opponents.

Captain Al Buch, whose last second field goal beat UCLA 60-58 Friday, collected 17 Cal markers the next night at Los Angeles against Southern Cal's Trojans. The Bears had a 21-point halftime lead against the Trojans and wound up with an 82-55 margin.

Cal plays eighth place Oregon at Berkeley Friday and then entertains UCLA's Bruins the next night.

Other PCC games Friday send UCLA to Stanford and Southern Cal to Idaho. On Saturday Oregon is at Stanford, Oregon State at Washington and Southern Cal at Washington State.

## Gaels Down USF, 64-63

By ASSOCIATED PRESS

St. Mary's Gaels, who lead the West Coast Athletic Conference by one game, take on the second place College of the Pacific Tigers tomorrow night at Moraga.

St. Mary's has a 5-0 WCAC record following Saturday's 64-63 victory over defending champion University of San Francisco. It was the Gaels' first victory over USF in seven years.

Besides the St. Mary's-USF tilt, Saturday's action saw Santa Clara down Pepperdine 84-69 and Loyola ease by San Jose 46-41.

St. Mary's edged USF in a frantic overtime period which started with a 56-56 tie.

The losing Dons took the lead twice in the overtime before Tom Meschery and LaRoy Doss teamed up with free throws and field goals to put the Gaels out in front to stay.

During the game, the lead changed hands 14 times. Fred LaCour of USF was high scorer with 24 points. Meschery led the Gaels with 16. Ron Cox also had 16 for USF.

## GIANTS LAND BONUS BABY

LOS ANGELES (P)—The San Francisco Giants have signed a 17-year-old high school bonus player who was being pursued by 14 other major league clubs.

Giants Scout Walter "Dutch" Ruether announced the signing yesterday of Mike Lee, a 6-foot 5-inch, 220-pound pitcher from Bell, Calif., High School.

Although Ruether did not disclose the bonus given Lee, he said, "it was a lot of money."

## U.S. Trackmen Too Soft—Elliott

MILWAUKEE (P)—Herb Elliott, 20-year-old Australian who holds the world mile record, says American trackmen are too soft.

"A lot of chaps can run the first half in two minutes," Elliott said "but running the second half constitutes the real test. The U. S. runners can't do it, because the body wants to stop."

"If the Americans want to run, they'll have to deny themselves of what the body wants, like chocolate, for instance."

Elliott and tennis queen Althea Gibson of New York will receive trophies tonight as the Male and Female Athlete-of-the-Year for 1958.

The Fraternal Order of Eagles will present the awards at a banquet.

## Major Leagues Heading Toward Another 'Golden Age Of Sports'

Any time you get together with a bunch of old time baseball filberts you're bound to find a group shaking their heads over long departed "Golden Days of Sport."

Golden? Brother, they ain't seen nawthin' yet.

When the Giants and the Dodgers moved west last year it made the Mother Lode look like a warmed over mud pie.

Every club in the National League profited by the move.

The merry click of the turnstiles still echoes through the smog and the fog.

This year the Giants will move to their new stadium at Candlestick Point for another shot in gate receipts. This and the resurgence of the Pittsburgh Pirates and Cincinnati Redlegs—and maybe even the lowly Dodgers—will trigger another tidal wave of shekels.

Follow this with the opening of the Dodgers' new park in Chavez Ravine in Los Angeles next year or the year after, and you produce another in a series of events that spell nothing but growing gate receipts.

AND DON'T think for a minute that the American League is going to sit by for long and let the National League reap all these profits without getting a piece for themselves.

The American League is sick, sick, sick right now and still making money, but not like it should and eventually will.

The way it is right now, Casey Stengel and his New York Yankees ARE the American League, with seven other guys named JOE mentioned in the supporting cast. This can't go on much longer.

Could be the rasing between Stengel, some of his star players, and the Yankee front office, going on right now, is the forerunner of a big breakup reminiscent of Connie Mack and

CONNOLLY

his once "unbeatable" Philadelphia Athletics.

Don't be surprised if you see expansion of the American League after 1959 to open up some new gold mines—an don't count out the possibility of a SECOND New York club and in the same American League.

IF AND when the lustre of all these changes begins to wear down, the big league moguls still have an ace up their sleeves in the once discarded, and almost forgotten, "Greenberg Plan."

In case you have misplaced this little gem, it is a plan proposed by Hank Greenberg of Cleveland whereby each team in each league would play several games each year in inter-league play, the results to count in the percentages of each separate league.

In other words, the S.F. Giants would play at least one series a year with the Yankees, Detroit Tigers, Cleveland Indians, etc. And boy, would that pack 'em in?

This stunt is being tried for the first time this year in the loosely-knit Pan American Association, where teams of the Texas and Mexican leagues will play a 146-game schedule including 36 games for each team with teams from the other circuit.

## Solons Make Player Deal With Braves

SACRAMENTO (UP)—Prospects for a Pacific Coast League team in Sacramento in 1959 looked bright today after the Solons announced that the team had signed a one-year player exchange agreement with the Milwaukee Braves.

Meanwhile, local Chamber of Commerce officials were reported "most optimistic" that they could raise the \$200,000 needed to keep the Solons in operation during 1959.

Dave Kelley, Solon personnel director, said that with help from the Braves, "Sacramento should prove a strong contender in the Pacific Coast League in 1959."

Under the working agreement, certain Solon players would be subject to first call on the part of the Braves' management.

Kelly said no Brave farm hands had yet been assigned to Sacramento, but that assignment is expected "in the near future."

## Lefebvre, French Cage Giant, Quits Gonzaga

SPOKANE (UP)—Jean Claude Lefebvre, the nation's tallest college basketball player at 7-foot-3, withdrew from Gonzaga University today and said he is going back to France.

"People expected too much," he said, "and when things did not always go well I lost my confidence. Basketball is my life, but I cannot progress here now as I must."

He said he will fly to Paris tomorrow and rejoin his first coach, Robert Bushnell, to start practicing with the French national team for the European championships in May. He has already been picked for the 1960 French Olympic team.

Lefebvre, who didn't play the game at all until he was 18, leaves an odd record at Gonzaga. As a freshman a year ago, he set an all-time school high of 50 points in an 75-72 victory over Whitworth, an arch crosstown rival.

A few nights later he was totally ineffective, came back gradually, slumped again, yet wound up leading the team in every department.

He looked great at times in pre-season practice last fall, but has averaged scarcely 10 points a game and was dropped from the first five last month. As the sixth man, he has been used only in spots lately.

"Big Jean is a perfectionist and things had to go just right or he would be away down in the dumps," said Coach Hank Anderson. "He doesn't bounce back quickly. Last year he was

## Drake Hosts San Rafael In Top Cage Feature Tomorrow

By JOHN KLEMPNER  
Two outstanding local games highlight tomorrow's basketball action in North Bay League Section I play. San Rafael, winner of seven NBL games in a row invades Drake, winner of four straight. Both teams have been improving consistently all season, and the game should be extremely close.

Vallejo, the team that shares first place with San Rafael, faces Redwood in the Giant gym. With Dick Breyer rounding back into shape, the Giants may have an excellent chance for the upset that they need to stay within reach of a possible league championship. Redwood has a 5-3 record, but has lost its last three outings. Vallejo has been shaky in recent games, but always manages to come out on top.

The Drake-San Rafael clash promises to be one of the better games of the season. The Bulldogs are a better-balanced club, while Drake has gotten outstanding performances from individuals on many occasions. Dick Llewellyn has led Pirate scoring in most games, but when Dick was held to seven points last Friday, Dick Spackman came through with 25 to pace the Drake win.

Tip-off is set for about 4:45

o'clock in the Drake gym with the preliminary clash to begin at 3:30.

Tamalpais, currently tied for fifth with Santa Rosa at 3-5, will host Napa in a third local game tomorrow. Tam has dropped two in a row, and while the Indians are assured of a forfeit win, they could gain considerable prestige by toppling the undefeated Napanes. Marin Catholic, fresh from

## M.V. Little League Signups Slated

Sign-ups for the Mill Valley Little Leagues will take place on two successive Saturdays at Tamalpais High. Boys over 8 years of age who will be less than 13 on August 1 can sign up on Feb. 14 and 21. Tryouts for the four major league teams are set for Feb. 28 and March 7.

Boys signing up for Little League baseball must be accompanied by a parent and bring their birth certificate. The sign-up period will last from 9 a.m. to noon each Saturday.

The National League's first meeting is to be on Feb. 25, announced President Ivan Hayes. George King is the American League's proxy. Little League play begins on May 1 and continues throughout July.

an upset win over Riordan, will try to make it two in a row as they host favored St. Joseph's in Catholic League action.

In Section II play, Novato entertains visiting Anady. Following are NBL Section I standings after eight games:

	W	L
San Rafael	7	1
Vallejo	7	1
Drake	5	3
Redwood	5	3
Tamalpais	3	5
Santa Rosa	3	5

## Phil Nathan Wins Indian Valley Golf

Phil Nathan compiled 37 points to win the Indian Valley Men's Golf Club's Stableford-type tournament over the weekend on the Novato course. The Stableford system gives five points for a hole-in-one, four for an eagle, three for a birdie, two for par, one for a bogey and nothing for anything lower.

Warren Smith, Steve Meuse and Eric Baker tied for second with 34 points each while Anthony Taveggia was next with 31.

## Bug Brush Rated Threat To Round Table, Hillsdale

ARCADIA (UP)—The big horses, named Round Table and Hillsdale, get back to action at Santa Anita this week, plus a little bay filly who ight give them trouble.

She is C. V. Whitney's Bug Brush, who ran off with the \$50,000 added Santa Margarita

Handicap over 14 rival mares and fillies Saturday.

The feature race of the week is the \$50,000 added San Antonio Handicap, which will draw all of the leading candidates to the post who are eligible for the \$100,000 added Santa Anita Handicap Feb. 28.

The San Antonio is run at a mile and one-eighth. This is the same distance of the Santa Margarita.

Bug Brush ran the distance in 1:48 1-5, the fastest for the route at the current meeting. And she carried a respectable 126 pounds, which is more than she will be asked to handle against her gentlemen rivals Saturday.

The Santa Margarita was the third stakes win for the pride of the Whitney Stable.

Hillsdale and Round Table, however, are the main attractions of the San Antonio. C. W. Smith's Hillsdale has won four straight stakes appearances here, including the \$100,000 Santa Anita Maturity for 4-year-olds, and a victory over Round Table in the San Carlos Handicap.

The margin was a head and the weight spread in Hillsdale's favor was a fat 17 pounds. Weights will be posted for the San Antonio tonight and it is safe to say the spread will be much thinner.

## Marin Team 5th At Squaw Valley

Marin Ski Club placed fifth in the team competition of the Bay Area Ski Federation Winter Carnival at Squaw Valley over the weekend.

The strong Peninsula Ski Club won the title, followed in order by the Sierra Club, Oakland, Santa Clara and Marin. Seven other teams finished behind Marin in the giant slalom competition.

Marin team members were Millie Dunshee, "Doc" Edwards, Ken Lax and Barry Evergetis.

## Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it

shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion. The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

**JAYNE LOSES DRESS TO FANS** — Jayne Mansfield covers up as best she can with the help of her husband Mickey Hargitay, after enthusiastic fans pulled her dress off in Rio de Janeiro yesterday. ## THINGS WERE GETTING A BIT SUSPICIOUS...

WASHINGTON (P)—Mrs. Jessica Weiss (R-N.Y.), a new congresswoman, tells a story about her first day in Congress.

As she walked on the floor, a House attendant suggested she remove her hat. She complied. As she was about to slip into her seat, someone else suggested congresswomen do not wear gloves. Slowly, Mrs. Weiss removed her gloves.

Then she announced: "If they tell me to take off just one more thing, I'm going to fight."

## Thief Gets \$400,000 In Jewelry

MIAMI BEACH, Fla. (P)—A thief, perhaps a gem expert, stole a reported \$400,000 in diamonds, emeralds and other jewelry from the hotel suite of a vacationing New York auto rental magnate.

The theft yesterday was the biggest in the history of Miami Beach luxury hotels.

The jewelry was owned by Leon C. Greenbaum, chairman of the board of Hertz Car Rental Corp., his wife, and her sister, Mrs. Arthur Cole, also of New York.

Because some of the jewelry was not taken, officers theorized the thief was a professional, knew how to appraise gems and knew what he was after.

The largest piece was a \$180,000 ring. The other pieces were mostly diamond and emerald bracelets and necklaces. The jewels were insured.

Mrs. Greenbaum and Mrs. Cole wore the jewelry on an outing Saturday night.

The three spent part of yesterday away from their \$100 a day suite in the Americana Hotel. Upon return at 4:30 p.m. to pack for a trip to New York, they found the jewelry missing.

## Scholarship Corp. Cites 4 At Drake

Four seniors at Sir Francis Drake High School have been commended by the National Merit Scholarship Corp. for their performances on a nationwide test of educational development. It has been announced by Principal Harold Allison.

Receiving commendations were Alan and Christopher Black, twin sons of Mr. and Mrs. Douglas C. Black of 138 Woodland avenue, San Anselmo; Lawrence Thompson, son of Mr. and Mrs. Richard Thompson of 35 Corte Cayuga, Greenbrae, and Lawrence Andrews, son of Mr. and Mrs. Milo T. Andrews Jr. of 40 Suffolk avenue, San Anselmo.

The Drake students were statewide runners-up in the 1958-59 merit scholarship competition. Each received a letter of commendation from the organization whose president, John M. Stalnaker, said that the students who received the commendation rank in the top 2 or 3 per cent.

## Lincoln Fete Nation Begins Year-Long

By ASSOCIATED PRESS

A year-long round of observances—ranging from the solemnity of memorial services through the gaiety of 19th century street dancing—will mark the 150th birthday anniversary of Abraham Lincoln.

President Eisenhower has proclaimed 1959 Lincoln Sesquicentennial Year.

Events reach a climax Thursday with special ceremonies in the Midwest, homeland of the Civil War president, and in Washington.

### BRANDT TO SPEAK

Lord Mayor Willy Brandt of West Berlin, himself leader of half of a divided people, will pay tribute to the author of the "House Divided" when he addresses the expected 1,400 persons at an anniversary dinner in Springfield, Ill.

Earlier in the day, joint session of Congress will eulogize the Great Emancipator with a speech by Lincoln author Carl Sandburg and the Gettysburg Address by actor Fredric March.

Preceding and following these Lincoln Week ceremonies, the sesquicentennial will leave its impact on everything from school convocations to county fairs.

### NEW PENNY

A new one-cent piece—the first in 49 years—will be jingling in your pocket after Thursday, and three commemorative postage stamps will appear during the year.

Observances began Jan. 11 with a special service in Washington Cathedral. Events for the rest of the year are being planned nationally by the Lincoln Sesquicentennial Commission and its counterparts in numerous states.

The Gettysburg Address will be given more mileage by school boys, actors, and politicians than ever before. The public will be exposed to a sizable portion of a century's accumulation of Lincoln history.

### FIRST OBSERVANCE

Prebirthday observances in the Midwest begin tomorrow with reenactment in an Indianapolis hotel lobby of the speech given by Lincoln Feb. 11, 1861, on his way to Washington to be inaugurated.

Focal point of activities next day shifts to Washington for an evening dinner being sponsored by the District of Columbia's Sesquicentennial Commission. Several dinners on the state level also are planned that night.

Television viewers that same evening can see a special program, "Meet Mr. Lincoln" on NBC (KRON, Channel 4).

The Senate will all but knock off work this week so Republicans can be free for Lincoln Day speeches and ceremonies. Democratic Leader Lyndon B. Johnson said that as far as he could control the situation, there would be no important action or record vote that week.

Miss Mansfield said ruefully that her dress was not only ruined, but she collected a number of black-and-blue spots where pinchers had been at work.

Both Miss Mansfield and Hargitay added, however, that they are enjoying themselves at what he called "the best carnival I've ever attended."

An estimated 250,000 Rio residents have left town to escape the endless din of carnival time, but at least 500,000 persons from other parts of Brazil have swarmed into the city.

Officials of the municipal pawnshop said it has been doing a rushing business with people who are pawning anything from bedlinen to diamonds to pick up a little extra money for the carnival celebration.

## Investigators Elect Marin Man Officer

Inspector-Bowen Bridges of the sheriff's office has been elected vice president of the California Check Investigators Assn. Northern Division, Sheriff Louis P. Mountanos announced today.

Assistant Police Chief Sam Serio just completed one year as president of that organization, which means Marin is represented with a top official in the check investigators association two years in a row.

Bridges was elected at a conference in Oakland. He and Inspector Guido Battaglia plan to attend the annual statewide convention in Fresno April 15 through 17. Delegates will get three days' training on scientific detection of forgeries and bad checks.

Another member of the sheriff's office, Inspector William Bradley is vice president of the Northern California Safe and Burglary Investigators Assn. That group met in Santa Clara last month.

## Young GOP Poohs Brown 'Liberalism'

FRESNO (P)—The state's Young Republicans in convention here over the weekend took a dim view of Gov. Edmund G. Brown's call for "responsible liberalism" in his Democratic administration.

This is "meaningless terminology," said a Young GOP resolution, by an administration which proposes "heavy spending and creation of endless state agencies."

Another resolution called for development of the state's hydro-electric resources along President Eisenhower's "partnership principle" between government and private enterprise.

A resolution favoring creation of a state fair employment practices commission was adopted.

Alan Nichols, San Francisco, was elected president, Helen Johnson of Santa Ana executive vice president, and Mrs. Fred Sabell of La Canada and Russell Clarke of Ukiah to the Young GOP national committee.

## Crashes Delay Homebound Skiers

SODA SPRINGS (UPI)—A series of minor accidents on icy highway delayed the homeward journeys yesterday evening of scores of weekend skiers.

A truck which plowed into snow banks on the summit a few miles east of here blocked westbound traffic for about an hour, motorists said.

Several cars were reported to have skidded off the highway. Motorists were detained until they could furnish chains for their cars.

## Ex-Marinite Receives Degree From Mills

George J. Burt Jr., 26, son of Mr. and Mrs. George J. Burt of 51 Park avenue in Mill Valley, has received a master of arts degree in music from Mills College. He studied under Darius Milhaud and Leon Kirchner.

Burt, his wife and son live in Berkeley. He attended Sausalito schools, and is a graduate of Tamalpais High School and University of California at Berkeley.

## Gernert Signs Pact

BOSTON (P)—With the receipt today of Dick Gernert's signed contract, the Red Sox totaled 20 players who have agreed to terms for the coming American League season.

Gernert compiled a .492 average as a pinch hitter last season.

## It's Flower Drum Song Day In San Francisco

SAN FRANCISCO (UPI)—The residents of San Francisco's Chinatown today honored author C. Y. Lee as part of their week-long observance of the Chinese new year—4657, the Year of the Boar.

San Francisco Mayor George Christopher proclaimed today as Flower Drum Song Day in honor of Lee's book, which became a Broadway musical comedy and an international monument to the Chinese people of

Lee will lead a colorful parade through the streets of the community this afternoon—and the author will be guest of honor at a banquet tonight.

The Year of the Boar officially succeeded the Year of the Dog at midnight Saturday. The clans of Chinatown gather to mediate on the prophecies of the elders that the new year will be more fat and prosperous than the old.

The celebration will resume Friday with the crowning of 20-year-old Leona Lee of Honolulu as Miss Chinatown, U.S.A. The festivities will end Saturday night with the tradition dragon and lion parade along Grant avenue.

## Class Scheduled In Caring For Handicapped Kids

A six-week course on caring for handicapped children will begin this evening at 7 o'clock in Room 19 at San Rafael High School.

A similar course will begin at Tamalpais High School on Feb. 17 at 7 p.m. in the Little Theater. The free courses are open to all boys and girls over age 15.

Instruction will be given by members of the county health department concerning seizures and emergency first aid, an evening's discussion on special needs of the cerebral palsied will be moderated by the staff of Marineland School, a panel discussion will be given by parents of handicapped children, and movies and discussions will treat the subjects of epilepsy, cerebral palsy, muscular dystrophy and mental retardation.

The course will conclude with a visit to the Northern Residential School for Cerebral Palsied in San Francisco.

Those attending all sessions of the course will receive a wallet-sized card certifying them as qualified "Carers for the Handicapped." A list of all those completing the course will be sent to any parent requesting it.

Those interested in the course may telephone Mrs. Max Robertson of 510 Easterby street, Sausalito, president of the United Cerebral Palsy Affiliate of Marin.

## A.F. To Shrink To 90 Wings In Next 6 Years

By ELTON C. FAY

WASHINGTON (P)—The Air Force probably will shrink its organizational size to fewer than 90 wings during the next five or six years—smallest since the wholesale demobilization following World War II.

These wings will include missile outfits as well as manned aircraft. Part of the cutback will be in B47 medium bomber wings as more efficient means of delivering destruction replace these planes.

Economy seems to play only a small part in the trend, which began about two years ago. Improvement of both aircraft and missiles accounts primarily for the change.

The nuclear firepower which can be delivered by even 90 wings will be thousands of times that of the huge bomber fleets of World War II.

The military budget now being debated in Congress says that there will be a "modest reduction in the number of wings in the Air Force, from 105 at the end of the current fiscal year next June 30 to 102 at the end of 1960."

The slow reduction in wing strength started after a peak post-war strength of 137 was reached in mid-1957.

The size of an Air Force wing varies from 45 big bombers to 75 fighters. Normally, a wing consists of three squadrons designation is generally used. A ballistic missile squadron will range from 10 weapons for an intercontinental ballistic missile—ICBM—outfit to 15 for an intermediate range ballistic missile—IRBM—squadron.

## Ex-OSS Chief 'Wild Bill'

## Donovan Dies

WASHINGTON (P)—Maj. Gen. William J. (Wild Bill) Donovan, who directed the government's daring intelligence operations during World War II, died yesterday. He was 76.

Death of the former director of the Office of Strategic Services was attributed to a heart ailment. He had been in Walter Reed Army Hospital here for some time.

Donovan won the Medal of Honor for leading the famed Fighting 69th regiment of the Rainbow Division in World War I. His fighting prowess became a legend of the war.

His nickname of "Wild Bill" stemmed from the exacting methods he used in training his men and the aggressive example of spirit and vigor he set for them.

The OSS operations Donovan headed during World War II were worldwide in scope. The organization conducted important research at home and daring exploits abroad, many of them behind enemy lines.

The shadowy army also fostered resistance movements and made possible the escape of some 5,000 members of the armed forces who had been shot down or trapped behind enemy lines in various theaters.

President Harry S. Truman in 1946 decorated Donovan with the oak leaf cluster to the Distinguished Service Medal he received during World War I.

## Mill Valley Teenagers Assn. Valentine Dance, Feb. 14

A Valentine dance Saturday night Feb. 14 at the Mill Valley Golf Clubhouse was just one of the activities planned at a recent board meeting of the Mill Valley Teenagers Assn. held in the City Council chambers.

There will be dancing from 8 to 11:30 p.m., and a unique feature arranged is a practice hour before the dance for the convenience of those members who feel the need of it.

This hour will be supervised by William Woods of the Smooth Dancers of America, a national society for the preservation of ballroom dancing. The Marin County chapter has one of the three top teams in the United States. Further information regarding this hour may be obtained from activities chairman Bill Rice.

Brief rules on dress and order for the dance have been mailed to parents of the teenagers.

For the young people is a music workshop directed by Tom Chesnut that will include instrumental supervision, jam sessions and talk fests.

Chesnut is instructor of instrumental music at the College of Marin and was assistant conductor for the Marin Symphony for four years.

Officers and committee chairmen, both the teenagers and adults, will visit a teenage center soon were all problems now facing the Mill Valley group have been solved.

Students of Edna Maguire School and Tam Hi wishing to join the association may contact any club officer—at Edna Maguire School, Stephanie Sullivan; at Tam Hi, president Mickey Johnston.

Mill Valley stores handling memberships are Mosher's Shoes, Mayer's Department Store, and in the Locust area, the Mill Valley Sport Shop.

Replacements of adult chairmen announced were Mrs. Hal Schwartz, membership; and Mrs. Kenneth Bauder, publicity.

## Wellesley Club To Meet On Feb. 13

Enriched education, as viewed by three alumnae engaged in this field, will be the program of the Feb. 13 meeting of the Central Wellesley Club. The meeting will be held at 12:30 p.m. in the home of Mrs. Alan H. Johnston, 12 Sotelo avenue, Piedmont.

Talks will be given by Miss E. Colvert, headmistress of the Sarah Dix Hamlin School; Mrs. Andrew J. Howard, who teaches Latin at Lowell High School; and Mrs. David Howard, former member of the board of education in Mountain Lakes, N. J.

Miss Colvert will discuss the advanced placement program now operating in certain schools. Qualified students are offered advanced classes in specific subjects, with the result that they may enter college having completed a course or two of college-level work.

Andrew J. Howard will talk about the specific problems of the large public school. Mrs. David Howard served on the school board in Mountain Lakes when it was planning its current program of enriched education. The program is similar to the one being discussed by Miss Colvert. It entailed increasing the number of teachers to permit smaller classes; raising salaries; granting Sabbaticals for further study by teachers. Financing such a program in a purely residential area was a major concern of the board.

Following these talks will be general discussion. All Wellesley alumnae in Marin County and mothers of students now attending Wellesley are invited to attend this meeting and should call Mrs. Richard Hughes of Kentfield for reservations before Feb. 11.

## Sausalito Club Will Hear Talk By Mrs. Rixford

Mrs. Emmet Rixford will be the speaker at the Garden Section meeting of the Sausalito Woman's Club on Thursday, Feb. 12, at 10:30 a.m.

Her talk will be on "Camellia Know-How" and will be in the nature of a discussion between speaker and audience to bring out the hows and whens of camellia grooming and its companion plants, the azalea and the rhododendron.

She will illustrate her talk to show camellia varieties suitable for the Sausalito climate and attractive arrangements made from their blossoms.

Mrs. Merrell Sisson is garden chairman and with Mrs. John Churchill is completing plans for the "Flower Show for Fun and Plant Sale for Funds" which will be held at the clubhouse on Thursday, Apr. 30.

## Child-Health Conclave

The Larkspur-Corte Madera Child Health Conference will be held Wednesday from 9 to 11 a.m. at the American Legion Hall, Larkspur. Dr. Marilyn Hicks, attending physician will be assisted by Miss Ethel Kelsey, public health nurse, and volunteers from Larkspur and Corte Madera P-TA's. Appointments may be made by phoning Mrs. Richard Glassman, Larkspur.

Wellesley alumnae in Marin County and mothers of students now attending Wellesley are invited to attend this meeting and should call Mrs. Richard Hughes of Kentfield for reservations before Feb. 11.

## Presidents' Assembly Awards Scholarships In Music, Nursing

At the recent meeting of the Presidents' Assembly of Marin County three scholarships were awarded. Laurel Taylor of Corte Madera, studying at the Providence College of Nursing, Oakland, was awarded \$300. For the award, \$100 was given by Federated Women's Clubs of Marin County with an additional \$200 from the Outdoor Art Club in Mill Valley. Rosemary Von Bina of San Rafael, 15, who is studying with Marcus Gordon of the San Francisco Conservatory of Music was awarded a \$100 scholarship. Carol Solo of Corte Madera, a vocalist, who is studying with Edith Ford Kendall of San Francisco and is a music major student of San Francisco State was also awarded a \$100 scholarship.

At the luncheon meeting of the assembly at the Fairfax Woman's Club Mrs. Charles E. Neils, president, presided. Mrs. Frank E. Wessel, recording secretary, presided at the punch bowl. Mrs. Paul A. Hammer, treasurer, had prepared the luncheon. The daphne arranged by Mesdames E. B. Hillis

and Leighton J. Elder on the luncheon tables brought a reminder of coming spring. Miss Von Bina attended the meeting and played both the flute and piano.

Under the chairmanship of

Mrs. Emmet L. Rixford the Presidents' Assembly is compiling a scholarship brochure for Marin County students. Assisting in gathering the data are: Mesdames Sylvester J. McAtee and Carl W. Spring.

## MODELS ARE ANNOUNCED FOR 'GLANCE INTO SPRING' SHOW

Models for the forthcoming fashion show—A Glance into Spring—which the Sausalito Woman's Club is to present on Thursday, Feb. 19, have been chosen, according to Mrs. Clement McKaig, general chairman, and last minute details are being worked out.

A "Glance Into Spring" will be a glimpse of the future wearing apparel from adults to the lads and lassies. Clothes will be shown from Luana's San Rafael and Corte Madera Shops and Adele Moran's San Anselmo and San Francisco stores.

Those chosen to walk the premature Easter Parade are from the membership of the Club and children of members. Senior models are Mesdames Jerome Adams, M. Stuart Brecka, John Churchill, Walter Barkdull, Ernest Bowman, John Connors, Harold Rosenblum, Robert Peterzon, John Ward and Clyde Trudell. Junior models are Misses Linda Fromhagen, Alice Churchill and Martha Crowell. The lads and lassies are Misses Laurie Connors, Megan Gifford, Rene Balliett and Masters James Connors and Christopher Connors.

Mrs. Sylvester McAtee will accompany the promenade of fashions on the piano and a French nurse in the person of Mrs. James Carroll will be on hand to supervise the youngsters.

Behind the scene assistants to aid the models with their quick changes will be Mrs. Howard Hale, Mrs. Robert Crowell and Mrs. Robert Walt.

Mrs. McKaig is being assisted by Mrs. Justin Day and Mrs. Frank Enzensperger in making arrangements for the "Glance Into Spring."

## Senior Scouts Set Dance On Apr. 3

At a meeting held recently at the home of Mr. and Mrs. Frank Cooper in San Anselmo plans were formed for an all-Marin Senior Scout dance on April 3 from 8 to 12 o'clock in the San Rafael Improvement Club.

Planning the dance were advisors and scouts including Mr. and Mrs. Cooper, Mr. and Mrs. Leonard Schoff, the Misses Marcia Smith, Cathi Purcell, Bunny Brown and Irving Sutterly Sr., Ken Goldstone, Richard Pingatore, Don Simpton, Irving Schwartz, Jon Bagshaw, Irvin Butley Jr., Dennis Boyce, Bob Labagh and Bruce Cooper.

## Potluck Supper

The Eagles Auxiliary of San Rafael 256 Fraternal Order of Eagles Auxiliary will hold a pot luck supper on Thursday at 7 p.m. in the IOOF Hall in San Rafael.

Members, husbands and prospective members are invited.

Mrs. Kay S. Bateman is chairman for the event.

## 'Cavalcade' Set By McPhail P-TA

The John Mac Phail Parent-Teacher Assn. will present a father and sons night with the theme being "Sports Cavalcade" tomorrow at 7:30 p.m.

The program under the chairmanship of Robert Tanem and Harry Pieper, will include a film of the California-Stanford football game of last year. Mike Watters and John Hall will be introduced. These two boys were chosen Junior College All-Americans for the 1958 football season. They both attend College of Marin.

The Cubs of Pack 66, Webeles Den will participate in the presentation of the flag ceremony. They are led by William Cooney.

Hostesses for the evening will be Mrs. Harry Thomas and Mrs. Edward R. Knotts, who will serve refreshments following the program.

## New Golf Officers Are Introduced

At the recent annual meeting of the Meadow Club Women's Golfing Section, Mrs. Lewis Kerlin, the president-elect, announced a new Ace of the Month tourney to be put into effect this year. The first Thursday of each month the low net for the day will be designated as the Ace of the Month. The play-off for the trophy of Ace of the Year will be held on Nov. 2.

The new officers for 1959 were introduced following luncheon. Mrs. Kerlin announced the scheduling of the other club tournaments for the year and confirmed the arrangements for the popular Invitational Tournament to be held Oct. 8, 9, under the chairmanship of Mrs. Newton Longfellow.

## Girls Will Fete Fathers At Dinner

Camp Fire Girls and Blue Birds of Marinwood will play Valentine hostesses to their fathers tomorrow evening at the Mary E. Silveira School.

All the girls are to make sweetheart box dinners for their fathers and themselves and during the dinner hour will entertain in groups by singing Camp Fire and Blue Bird songs, acting in skits, followed by a community sing.

Fathers will learn of the accomplishments and enjoyment derived by their daughters through the Camp Fire program. Members not only have fun hiking, camping out, learning about nature lore, in craftsmanship, and the valuable experience of sharing these activities with others, but the girls also learn civic responsibility and pride through the many community deeds they perform.

The following groups will participate in the fun affair: Tami Tami Blue Birds under the leadership of Mrs. Carl Lash; Buzzin' Dozen Blue Birds, Mrs. T. O. Nance leader; Merry Blue Birds with Mrs. Richard De Kay leader; and O-Tan Hi Camp Fire Girls, Mrs. Hal Johnston guardian.

Coordinator for the 6:30 p.m. dinner is Mrs. Clarence Hofer. Information and reservations may be had by calling Mrs. Hofer.

## Larkspur-Corte Madera P-TA To Give Award At Luncheon

The Larkspur-Corte Madera P-TA is preparing for the Founders' Day luncheon to be held in the Banquet Room, Larkspur City Hall at 12 noon, Wednesday, Feb. 18.

All members of the Larkspur-Corte Madera P-TA and guests are invited to attend. The menu will feature all kinds of salads and nut breads. Hostesses will be the P-TA executive board.

Former presidents will be honored at the Founders' Day program. In addition, an honorary life membership in P-TA is awarded to one who has worked for the betterment of the community and for better opportunities for children. The

recipient of the award is kept a closely guarded secret until the time of presentation. Included in the program will be two selections sung by the Ross Valley Choral Group.

Feb. 17, 1897 was the day the national P-TA was founded in Washington, D.C., by Phoebe Apperson Hearst and Alice McLellan Birney. At the time the organization was known as the National Congress of Mothers. The present name, National Congress of Parents and Teachers, was adopted in 1924.

Commemoration of the founding of the national organization has always been a part of the program of this local unit which received its charter in 1925. On the occasion, a birthday offering is turned over to the state organization to be used for extension work throughout the state.

## NCO Wives' Club Holds Luncheon

Luncheon and business were combined for the February meeting of the NCO Wives' Club at Hamilton Air Force Base. Mrs. John Dolan presided as the new president, and Mrs. Carl Reinhardt was elected to fill the vacancy of second vice president.

The Club's farewell token, a bracelet with a Hamilton AFB pendant, was presented to Mrs. Walter Zahorenko.

Plans were made to vary the March luncheon by making it a potluck affair. Members are asked to wear "crazy" hats.

Chairman for the luncheon was Mrs. Dolan. Her assistants were Mesdames Ernest Empio, C. T. Hatchell, Ed. E. Roberts, William E. Simshauser, and Mrs. Wallace Young. Mrs. Dolan has been named publicity chairman.

## TAMALPAIS ORDER

### Sandra Frier Is Installed Worthy Advisor Of Rainbow

The third installation of Tamalpais Assembly No. 191 Order of Rainbow for Girls was held recently in the Fairfax Masonic Temple in Larkspur with 200 present.

Sandra Frier, daughter of Dr. and Mrs. Willard Frier, was installed as worthy advisor. She wore a floor length formal of blue taffeta and carried an old fashioned bouquet of white carnations and pink roses. Her colors are pink and blue and they were carried out in the decorations.

The officers carried gold umbrellas decorated with pink ribbon as Sandra's theme for the evening was "Let a Smile Be Your Umbrella." The officers walked into the Assembly room and formed a bow in front of the altar. Sandra entered and stood in front of the altar while "Over the Rainbow" was sung by Barbara Jo Ferguson accompanied by Carolyn Witt. After the new worthy advisor was installed "The Lord's Prayer" was sung.

Installing officers were Mary Ann Hanley past worthy advisor of Tamalpais Assembly, installing worthy advisor, Lorraine Cooke of Novato Assembly, installing marshal, Barbara Cottrell of Golden Bear Assembly installing chaplain and Norma Pierenian of Tam-

pais Assembly, installing recorder, Mrs. Fred O. Foster was installing musician.

Mrs. Frier was hostess for the evening and told in her speech about Rainbow and its purpose. She introduced Mrs. Katherine Winslow who was the first Mother Advisor of the First Assembly in California and Mother Advisor when Mrs. Frier was a Rainbow Girl. Later Mrs. Winslow presented Sandra with her gavel which was a gift to her from her parents.

The American flag was presented by three members of the Marin Council Order of DeMolay. They were Eugene Andrew, John Hemmingsway and Gary Morris.

After the officers were pronounced installed by the marshal, Sandra gave a talk and introduced her parents, a sister, Susan, who is sister of hope and she told of her brother and sister who were not able to be present. They are Mrs. David Norton who lives at Lake Tahoe and Donald Frier of Arlington, Va.

Mrs. Bundy, Grand Deputy for the State of California, presented awards to the following girls: Mary Ann Hanley the Pot of Gold and the following received their pins or bars, Sandra Frier, Nicole Baglietto,

### Guild Honors President At Luncheon

A surprise luncheon was held recently in honor of Mrs. David Gibbs of Sleepy Hollow by members of the Grape Booth Guild of Sunny Hills at Enrico's Coffee House in San Francisco.

Mrs. Gibbs is outgoing president of the Guild. Members presented her with a corsage and a gold disc.

Attending the luncheon were Mesdames Louis DeMartini, Paul Talbot Jr., Irwin Kaufman, Stanley Behrens, Albert Simpson Jr., Stanley Carlsen, Arthur Jorgensen, R. J. Gomez, Rudy Lang Jr., Andrew Mahoney Jr., Clyde Allyn, George Andrews, David Gregg and J. W. Schorer.

Mrs. Jorgensen, the new president, announced that the Guild will hold its annual dance on April 18 at the Corte Madera Recreation Center.

### Davidson P-TA Is To Present 1959 Dramerama

The dramatic and musical talents of Davidson teachers, students and parents are being tapped for the annual P-TA "Dramerama," to be presented tomorrow at 7:45 p.m. at Davidson School.

Student and faculty productions are being directed by Mrs. Alverna Kavanaugh, while Mrs. L. J. Dellwig is in charge of the parents' part of the show. "Wildcat Willie and the Bearded Lady," a one-act play on the program, has the following student cast: Timothy McCord, Sharon Johnson, Marcia McPhee, Dick Nelson, Bill Nelson, Marjorie Sacks, Barbara Segale, Georgianne Clark, and Christine Rogers.

Faculty members taking part in a production entitled "Pure Gold," include Robert Royle, Hugh Broyles, Mrs. Shirley Crawford, Miss Janylee DeBoer, Homer Hoyt, Mrs. Audrey Kidd, Miss Carolyn Caniglia and Mrs. Patricia Sieck.

In a more serious vein, Mrs. Malcolm Finley will speak of the significance of Founders' Day. Mrs. Finley is president of the High School P-TA, and is a past president of the San Rafael P-TA Council.

At this time Mrs. Earl Dixon, past president of Davidson P-TA, will present two honorary life memberships to people whom her committee has selected as deserving of this honor. Men and women who have been of outstanding service to young people are chosen for recognition in this way. Money spent for these memberships is put into the state P-TA scholarship fund.

of the class of 200 men who passed the examinations for further training, and was assigned to the Far-East Language Institute at Yale University for an extensive eight months training course in the Chinese language.

### Zontians View Litter Havoc

"Let's keep American beautiful," a movie, was shown members of Zonta Club of Marin, at their recent luncheon meeting at West End Villa. William H. Graves, representing the Richfield Oil Company, presented the movie as part of Richfield's conservation program. He said the cost to the government to clean up after the "litterbugs," who defile the beauties of scenic spots, was \$50,000,000 a year. The deliberate "litterer" who brings his garbage to dispose of actually does less harm than the "good" citizen who carelessly discards cigarette packages or papers, Graves said. The movie portrays what has been done in some communities to offset the damage.

Reports of the success of the various projects which contribute to the Zonta Service fund occupied most of the evening meeting at the home of Mrs. Oliver Hartzell recently. These projects included the Christmas necklaces made and sold by Zontians; the Christmas arrangement demonstration conducted by Mrs. Katherine Eubanks, a Zonta member; the balloon booth staffed by Marin Zonta at the Marin Art and Garden Fair, and the potluck suppers held for members and guests.

A letter from one of the scholarship recipients was read by the service chairman, Dr. Gwen Campion. The recipient, a girl, told of her progress in school and expressed her appreciation for her scholarship money. Scholarships for girls and women to pursue their studies in their chosen fields is the major project of Marin Zonta, who channel all money raised by service projects into three scholarships given each year.

### Dental Auxiliary Hears Talk By I-J Reporter

Larry Lovett, Southern Marin reporter for the Independent-Journal was guest speaker at the recent luncheon meeting of the Marin County Dental Auxiliary at Rickey's Rancho in Ignacio.

Mrs. James Pelfini presided at the business meeting. Program chairman Mrs. Delbert Smith introduced the speaker.

Lovett spoke on the newspaper's importance to the community and the responsibility of the community members in letting the newspaper know its attitudes on issues. A brochure, the "I-J Story," was presented to the audience in order to help them understand the various departments making up their daily newspaper.

A nominating committee was chosen to select new officers for the year.

### Mrs. John Machado Honored At Shower

Mrs. John Machado of Novato was the recent honor guest at a baby shower at the Novato home of Mrs. Roy Kanoff. Co-hostess was Mrs. Wes Westdahl.

A large white stork and red camellias floating in low bowls were used in table arrangements and the gifts were placed around a large doll by the fireplace.

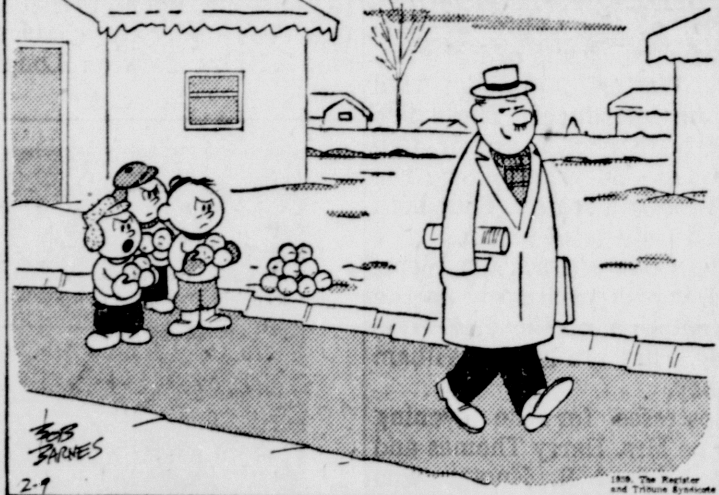

Guests included Mesdames William Patterson, Milton Johnson, Charles Smith, Harold Simmons, Robert Boyer, James Esping, Walter Seal, Paul Bates, Richard Shuck, Albert Larin, Robert Hachmyer, Joseph Moock, William Veroba, James Helmick, William Nelson, William Davidson, Sheldon Nickols, Randy Bechtel, Paul Vincillione, Leo Chaiko and Miss Karen Davidson.

### Food Packaging

Jams and jellies will soon be available in individual serving waxed paper cup containers with 10 assorted flavors to the package. Ready-to-bake biscuits are now available in fibroboard containers that open easily and insure perfect-shape biscuits. Some meat products such as calves' liver and pork sausage will soon appear in waxed paper tubs. These and many other new packaging developments account for the popularity of smokeless-odorless gas incinerators. The packages can be disposed of easily and quickly every day, 365 days of the year.

## 'Cinema-Antics' Tickets Are Still Available

Rumor has been whispering that all 1,000 seats for "Cinema-Antics," the Social Service Auxiliary benefit performance to be held tomorrow at 1 o'clock at the Sequoia Theater in Mill Valley, have been sold.

While some tickets can be bought at the door while seats last, ticket-holders are warned to get there early as seats are not reserved, and the organization is anxious that the theater not be over-sold. Preliminary party-goers are being urged not to linger too long over brunch before insuring seats at the theater.

To alleviate parking problems, the Mill Valley Police Department has suggested that the following streets offer free, meterless parking and will accommodate 600 cars: Buena Vista, Sunnyside, Lovell, Park and Mountain View, all within convenient walking distance of the Sequoia Theater.

Chairman of "Cinema-Antics" is Mrs. Cletus Fitzharris. Reservation chairmen are Mrs. Louis L. Walsh, 1150 Mission avenue, San Rafael and Mrs. Frank E. Duhme, 849 Tiburon boulevard, Tiburon.

## Theater Group Will Perform For Club

Christopher Fry's play, "The Lady's Not For Burning," with its clear character drawing and delightful comic sense will be enacted by a talented and experienced cast drawn from veteran members of the Sausalito Little Theater at the evening meeting of the Sausalito Woman's Club on Thursday, Feb. 12.

The action takes place during the fifteenth century in a room at the Mayor's house where Thomas Mendlip (Emile Waldteufel) comes begging to be hung and Jennet Jordemayne (Eugenia Waldteufel) has been "pulled in" for her witchery. Nicholas (Lou Mason) and Humphrey (Alexander Implay), naughty brothers, at the expense of their mother's (Edith Wood) placidity, both desire to marry Alizon (Mary Baker) who finds Richard the orphaned clerk (John Brebner) more to her liking.

The town elders are the Justice, (George Provoo) and the Mayor, (Leonard Wood). The parts of Chaplain and Skippis, the rag and bone man, will be taken by Raymond White.

The lighting and sound effects will be handled by Robert O'Leary.

The play reading will start at 8:15 p.m. in the Woman's Clubhouse and the public is invited to attend. Mrs. John Ward and Mrs. Jerome Adams will serve on the reception committee and Mesdames Rosemary Seal, Delman Smith and Ernest King will help serve refreshments after the program.

Mrs. Ronald Mackenzie is chairman for the evening's entertainment.

### To Hear Van Cliburn

Among those from Marin County who will be in the audience when Van Cliburn will be piano soloist with the San Francisco Symphony in the War Memorial Opera House in San Francisco on Thursday, Feb. 12, will be Dr. and Mrs. Emmet Rixford of Sausalito and their son, Chuck.

## Methodist Women Hold Imaginary Bazaar At Meet

Women of the Mill Valley Methodist Church held their imaginary bazaar at their recent meeting in Wesley Hall and heard a talk on "Giving" by Mrs. Samuel Archibald.

She described the Holy Land where she vacationed last year and told of some of her experiences there.

To replace the annual bazaar women placed the amount it would have cost them in miniature hearts and pinned them to a huge valentine as Mrs. Edgar Nelson played a hymn.

Mrs. Matthew Parchuck lead the devotions on "Christian Concerns of North American Neighbors," and Mrs. William Wood conducted the morning's business meeting.

Apr. 3 and 4 were chosen as dates for the spring rummage sale, and Mrs. Leslie Hicks and Mrs. Homer Alquist were named as co-chairmen for the event. They promised there will be another "Rags To Riches" fashion show and coffee hour preceding the sale. Members of sub-committees will be announced later.

Mrs. Lyman Booth accepted the chairmanship for "Lunch Is Served" to be held in Wesley Hall on Apr. 22 at 12:30 p.m. Tickets will be available at any time from members of the Woman's Society of Christian Service.

## Tea, Style Show On Wednesday By Cummins P-TA

Tea and fashions will be featured at the Neil Cummins School P-TA Founders' Day on Wednesday, at 3:30 p.m. This will be the 52nd birthday of P-TA and a gala occasion is planned. It will be held in the school's all purpose room.

An afternoon of local styles will be offered as well as home-baked refreshments, according to Mrs. John Shelly, chairman of the tea. The Corte Madera Merchants Assn. are showing spring and Easter fashions. Models are mothers of Neil Cummins School and the boys and girls of ages ranging from littlest kindergarten tots to their "teen-timer" counterparts. Mrs. Mort J. Simon will review the showing.

Past presidents to be honored, together with the secret guest—the recipient of an honorary life membership in P-TA. The money donated for this membership by the unit is given in his or her name to the Marin County scholarship fund to assist worthy students or teachers in furthering their studies at colleges and universities of their own choice. In 1958 alone, more than \$200,000 was given to this scholarship fund's branches by Parent-Teacher Assn., helping thousands of students in this way.

Special guests will also be the teachers of Larkspur School. The invocation will be given by the Rev. S. R. Hammond of San Rafael. Executive board for Neil Cummins P-TA are the hostesses this day, while the flower arrangements, bouquets and table decor will be in charge of Mrs. W. C. Anderson and her committee. There will be baby-sitting in the cooperative nursery.

## Luncheon Proceeds Help Pay For Training Of A Guide Dog

A benefit luncheon on Wednesday at the Alta Mira Hotel in Sausalito is being staged by members of the Marin chapter of Delta Gamma Sorority to partially pay for the training of Honey, a prospective Guide Dog.

Mrs. Philip Smith of Mill Valley is general chairman for the luncheon which will be held at 12 o'clock.

Other members of the committee include Mesdames Frosty Winter of San Rafael, program director; H. Nordmark Williams of Belvedere, reservations; Harold Sonnenberg of Greenbrae and George W. Ball of Kentfield, invitations; Charles H. Merrill Jr. of Sausalito, decorations, and John Hoffmire, Belvedere, James T. McLoughlin of Ross and John R. Curley of San Anselmo, awards.

David Keith, a trainer at

Guide Dogs for the Blind, Inc., will tell of his work at the training center and give a demonstration with Belinda, a German shepherd.

Since the Delta Gammas adopted their Sight Conservation and Aid to the Blind Program in 1952, the name Delta Gamma has become synonymous with work with the blind. Although local chapters and associations decide upon and finance their own project work, they work through the Foundation Project Committee which serves as a clearing house for information and directs members to sources of professional advice in setting up a program in their own community.

Each year scholarships totalling \$2,000 are granted to orthoptic technicians and to teachers and consultants for visually handicapped children. In addition a revolving loan

fund of \$2,000 is available for the blind who need financial assistance.

In 1956-58 over 75,000 volunteer hours of service to philanthropic organizations for the blind were given by Delta Gammas, and over \$144,000 was raised in benefits for the local projects.

## Milk Bank Unit Holds Meeting In Fairfax Home

A recent meeting of the Marin Unit of Mothers' Milk Bank, Inc. was held at the home of Mrs. Geoffrey Fairfax in San Anselmo.

Mrs. A. E. Graupner, Mrs. E. E. Brownell, Mrs. Lawrence Billwiller, and Letty C. White, R.N. of the San Francisco office were present to give a detailed account of the origin of the Mothers' Milk Bank as well as to give assistance in the organization of this new unit. Mrs. Graupner and Mrs. Brownell are two of the original founders of the Baby Hygiene Committee of AAUW which aided in the founding of the Bank.

Members attending included the Mesdames C. E. Bodington, Russell Spaatz, David Hudson, Eden, Robert Christensen, William Weeks, Grimm, James V. Farley Jr., and Jack Countryman. The next meeting has been scheduled for Apr. 16 at the home of Mrs. Farley, 21 Santa Margarita drive, San Rafael.

Prospective donors and those interested in helping with the Unit's work are asked to call Mrs. Hudson or Mrs. J. N. Knowles Jr.

## 150 At Joint Installation Of Mill Valley Lodge Groups

A hundred and fifty members and guests attended the joint installation of officers of Muir Temple No. 123, Pythian Sisters, and Muir Lodge No. 136, Knights of Pythias, held recently in the Mill Valley Odd Fellows Hall.

Installing officers for Muir Temple were Mrs. George Vogensen and her aides, Mrs. Elizabeth Iverson and Mrs. Leslie Vogensen.

Mrs. Joseph Hukoveh became past chief, and newly elected officers inducted were Mesdames Anthony Bottini, most excellent chief; Leona Swanke, excellent senior; Carrie Turrentine, excellent junior; Walter Whiting, manager; Verna Strittmatter, secretary; Etta Coats, treasurer; George Vogensen protector; David Manchester, guard, and James Smith, pianist.

Officers were seated by an honor guard composed of Mesdames Paul Blair, Winifred McMahon, Doris Leacock and Edgar Pedersen.

Gifts were presented to past chief Mrs. Hukoveh, to the installing officers and honor guard; to Mrs. Lucille Hanson, who served as pianist; and an orchid was presented to Mrs.

Emmet Segreue, wife of the chancellor commander.

Installing officers for the knights were Walter Taylor and his aides, Maxim Kortum and Walter Mann, all of Petaluma.

Following the installation there was dancing to orchestra music.

Greens, heather and camelias were used by Mrs. Strittmatter and her committee to decorate the hall and banquet room where refreshments were served under the chairmanship of Mrs. George Vogensen.

# Equalized Taxes Problem Again Raising Its Head

Marin taxpayers in recent years have had two types of "equalization"—(1) a blanket 26 per cent raise in assessed value ordered by the state, and (2) the county-wide reappraisal of all real property. Now they face influences from both inside and outside California which may further tinker with their tax bills.

Public hearings are scheduled to get under way shortly on bipartisan measures before the New Jersey Legislature which would make mandatory the assessment of all real property at 50 per cent of market value.

In California, an attempt has been made to assess all property at about 25 per cent. But public utilities are assessed at 50 per cent. The utilities call this discrimination and are making a real drive in Sacramento right now to either have their assessments lowered to 25 per cent or everyone else's raised to 50 per cent.

Back in 1957, the New Jersey Supreme Court ruled that a century-old statute there required that all real property be assessed at 100 per cent of true value. But the court delayed in practice the new basis for assessment until 1959. The legislature is now pondering pos-

sibility of amending that old law to 50 per cent.

In Connecticut in June 1957, a substantially similar ruling held any fractional assessment wholly invalid under that state's statutes. The Legislature that year rushed through a stopgap measure which legalized assessment at a "uniform percentage," putting off until this year a permanent arrangement, which they are now asking.

In California our State Board of Equalization is under orders to make sure each county assesses in the same manner and by the same percentage. This is because many state subsidies, particularly to schools, are awarded on a basis of assessed value. The 26 per cent increase to Marin property owners came about because the board found our county assessing too low.

Will the situations in New Jersey, Connecticut and other states, plus the demands of the utilities (which are assessed by the Equalization Board itself) be enough to cause further changes in our property taxes?

Tune in next taxbill-time to the next stirring episode of our unending serial entitled: "How Much Do We Have To Pay And To Whom?" We know when!

## The Teetering Season

This is the unsettled time in Marin when the seasons are teetering between winter and spring. One day it is black, rainy and wintry. The next it is bright and springlike.

The grand floral explosion of spring in Marin is on its way, heralded by the first blossoms of the acacia. Soon this tree will be a golden shower of feathery bloom. And following that will come the blossoming of the fruit trees and we will know that spring has indeed arrived again.

The fields of green will play host to countless wildflowers and the days will be appreciably longer. Buds will take form on the roses. The annual awakening will be at full flood.

But right now things seem to be teetering on the precipice of spring, in uncertain balance, undecided as to whether to go ahead as usual or to give us a nasty taste of winter first.

It's the teetering season.

### MAKE YOUR OWN AWARD

The "Great Teacher Award," was recently inaugurated by the alumni of New York University to reward and encourage good teaching.

A \$1,000 gift and a special plaque will be given annually to three members of the faculty.

Few are in a position to give such rewards to those who work hard to bring out the hidden power of youth.

But there are dozens of personal ways in which one and all can reassure those who devote themselves to the important work of the classroom.

Most teachers do not look for special at-

tention or recognition. But they certainly merit some expression of confidence, especially from those who hold teaching in high esteem but who would not undertake the rigorous life of a teacher themselves.

One fitting tribute you can pay to all teachers is to ask God's blessing on their important work.

Recall Henry Adams' words: "A good teacher affects eternity; he can never tell where his influence stops."

Good instruction shall give grace.  
(Proverbs 13:15)

Grant an everlasting reward, O Father, to all who faithfully fulfill the noble role of teacher.

### Processing Plant In Difficulties

EDITOR, Independent-Journal:

The T-D-R Processing Plant is in serious difficulties. This plant is important because it performs a vital step in the processing of our most valuable natural resource.

A constantly increasing sup-

ply of raw material is undergoing preliminary preparation. When this material has reached a certain stage, the law requires that the T-D-R Plant accept it for further processing.

T-D-R's fine organization has been turning out a superior product; 35% is put on the market and 65% taken over

by more specialized plants for further development. The total output has been well received, even sought after.

During the past year, several steps in the processing have been eliminated. It is becoming difficult to retain the fine staff and to recruit additional personnel needed to handle material now being prepared for T-D-R. Maintenance of the physical plant has been curtailed. Necessary equipment and supplies cannot be bought.

The \$6 million dollar Tam-Drake-Redwood plant is owned by between 35 and 40 thousand shareholders who must be polled before an increase in capital outlay or operating expenditures may be made.

Shareholders meetings have been set for Feb. 17 and notices mailed designating the most convenient meeting places.

If you feel that to protect our investment we should preserve the quality of our excellent plant and its product, be sure your YES vote is counted.

### 10 YEARS AGO

The War Assets Administration officially announced its approval of the sale of 18 acres at the southern end of Marinship yard to the City of Sausalito. The property was to be used for non-profit municipal yacht harbor, a park and recreational area.

### 20 YEARS AGO

Col. Kernan Robson of 237 Crescent drive, San Anselmo, was named to the Golden Gate International Exposition commission when it was reorganized by Gov. Culbert L. Olson.

Betty Jane Nevis, former Tamalpais High School student, won the prep foils championship of the Amateur Fencers League of America in a meet staged at Mills College.

### Mill Valley Flying 49-Star Flag Ahead Of Others And Official Date

The City of Mill Valley appears to be the first in southern Marin to break out with the new 49-star flag, now flying at the city hall.

Kind of jumping the gun on the official July 1 date, but City Manager Al Almcraants says he'd rather do that than fly the old worn-out job.

WE WERE FASCINATED at a letter read at last week's Sausalito city council meeting in which staunch Sausalitoite Henry Collins caustically referred to modern filling stations being "tawdry, ugly and garish" then administering the coup de grace by describing them as "metallic cheese boxes."

A COMPLETE story appears in an ad posted on the Belvedere boardwalk bulletin board. It reads:

"For sale. Nifty winter maternity outfit; need stroller."

A DEJECTED figure of a slightly built man stood at a window of the Alta Mira Hotel dining room in Sausalito looking down at the property below where workmen were completing the task of demolishing the former Ernie Smith home, vacant since the Smiths moved to Glen Ellen.

Only a gaunt chimney rose in the air to mark the site of many years of active pleasant living for a family noted for its hospitality. The man was silent and hardly moved. He finally left the window and turned to enter the lobby. Ernie Smith had been gazing at the last remains of the house which had been his life for so many years.

GUIDO TODARO, manager of the Bank of America office in Mill Valley, showed us a fascinating book recently published by the bank titled "California Profile."

Beautifully done in brilliant color, it was printed in 100-

000 copies primarily for distribution outside California to attract capital. It was designed and laid out by Mill Valley artist Edmund Gross.

PUNGENT COMMENT from the Mill Valley Optimist Club Bulletin: "He who considers himself a wit is usually half right."

A WEEK AGO, Rev. E. John Mohr of Belvedere's St. Stephen's Episcopal Church delivered the invocation at the dedication ceremony of the remodeled and augmented neighboring Tiburon Fire Department.

The next morning his church had a \$5,000 fire.

Perhaps the Belvedere department should have been the recipient of the blessing.

WHEN CHARLIE and Jackie Gerken recently deposited their \$140,000 in Irish sweepstakes winnings in the Bank of America at Sausalito, they became the second sweeps winners in two years to make their deposits in the same bank.

A year ago, Eugene Mulligan of Corte Madera did the same thing.

Maybe bank manager Frank Bosl has the secret code on how to pick the winning ticket.

IN PAST YEARS, the Mill Valley city fathers have had their troubles in getting satisfaction from Herb Shapiro settling differences over property on outer Miller Avenue.

Recently, the city agreed to give Shapiro a deed to a certain drainage easement and he has been heckling City Manager Almcraants to get it. This time, however, the city is awaiting delivery of a new police car ordered some time ago from car dealer Shapiro.

"No car, no deed," says Almcraants with finality.

### Missile Race Calls For Enough Funds-And Taxes-To Keep Us Strong

In the swirling controversy over the Eisenhower-McElroy budget, the inquiring bystander must accept the fact that the basic issue is not one which can be settled definitively.

There is a race of armaments. But who is "ahead" now, and who will be "ahead" two years from now is not something that can be measured quantitatively, even if there existed perfect intelligence with exact and complete knowledge of the quantity and quality of all the weapons on both sides.

What statesmen really have to estimate is what is likely to be the judgment of other statesmen about the existing balance of power. In making these judgments, they have to listen to the calculations of the experts in various specialties.

THESE CALCULATIONS are invariably theoretical abstractions — what, for example, would happen if there were a war in which one side had X number of missiles and the other had X plus Y missiles?

At bottom the argument between the Administration and Sen. Symington is whether the balance of power should be calculated in terms of intercontinental missiles or whether it shall be judged in terms of the whole complex of armaments and of the international political situation.

My point in all this is not to say that McElroy and the Administration are right. I think they are very wrong. But I do not think that they are deliberately misleading the country. What they have done is to argue their case so badly that they are losing the confidence of the public.

THE FATAL ERROR lies in the decision of the President to make the paramount issue of the present time a federal budget balanced at the existing level of taxes, along with a promise of a reduction of taxes before the next Presidential election. We are ap-

proaching one of the great climaxes of the cold war and the President's decision about the paramountcy of the budget reflects a failure to understand the nature of the cold war.

It makes suspect all the military estimates in the budget.

It is no part of the law of the land, or of that moral law which the President frequently invokes, that the existing tax structure cannot be raised and should be lowered. To insist on such a dogma about taxes is to tell the people and the world that national defense is not the first but only the secondary consideration in this government.

FROM THIS it follows inevitably that Secretary McElroy's assurances about our over-all strength are quite unconvincing. Nobody is prepared to believe that by a wonderfully lucky coincidence the money needed for national defense is just the amount of money we can afford to spend if the budget is to be balanced without raising taxes.

What should be done about it? It should be said in no uncertain terms that defense has the first priority. If the President will not say it, perhaps Congress itself should say it by resolutions.

THERE SHOULD THEN be a substantial increase in the military appropriations, an increase sufficient to put us back into the missile race. Then an increase of taxes should be voted in order to balance this larger budget.

It would be a great day for mankind if it could be ended. But if the race is to be ended, this will be done only if and when we are able to reach general political settlements with the Communist powers.

The race of armaments cannot be ended or suspended merely because we wish to balance the budget without raising taxes, or because it would be good politics to reduce taxes before the next election.

### The Irresistible Meets Immovable And Children Are Caught Between

Children like school. They want to get a good education. Even troublemakers kick like steers if they're expelled. School is part of every child's heritage. That's why I'm worried about the boys and girls whose schools have been closed by the integration ruckus. They're innocent victims. Regardless of our feelings about integration, we regret what's happening to them. Or at least we should regret it.

Our federal government is an irresistible force. It is backed by the convictions of millions in the north and the west. It is hitting an immovable object: the governments of many states backed by the convictions of millions in the south. It is the most difficult internal problem of our generation.

I'm not speaking today about the big question. I am pleading for education for the many hundreds of boys and girls who are being denied it. They didn't create the impasse. They want to go to school. Our coun-

try needs their educated minds. Only a few of them have been able to enter other good schools. Not one in a hundred has continued his studies unharmed.

We're parents. We can put ourselves in the place of the schoolless children's parents. We know how we would feel if our children were idle.

Will you write to our congressmen and senators? Ask them to find some basis for getting those schools reopened. They're men of good will. So are most of the folks on both sides. If we push them, they'll find a way.

#### READERS' FORUM

(Q) "Do congressmen really pay attention to the letters they receive?"

—R.B.

(A) Yes. They're especially impressed by honest, brief letters, written and mailed by the people who sign them. Sometimes they feel they can disregard standardized form letters.

### Church To Have Pancake Dinner

Shrove Tuesday will be observed at Holy Innocents' Episcopal Church in Corte Madera tomorrow from 5:30 to 7 p.m. with a pancake supper sponsored by the men of the church service guild.

Besides pancakes, the menu will include ham and apple sauce. Tickets for the annual supper may be obtained at the church office or from members of the service guild and St. Charles' Guild.

### Cat Club Elects New Officers

Mrs. Adele Deeths of Ross was elected president of the Marin County Cat Club at the group's meeting Friday evening.

Also elected were Stan Goldberg of Sausalito, vice president; Mrs. Veve Ebert of San Leandro, secretary; Mrs. Vera Harlan of Sausalito, treasurer; Eugene Wilson of Ross, Peter Anderson of Novato, Keith Slayton of Mill Valley, Frank Bucquoy of Pleasant Hill and Dr. R. Mary Jaros of Greenbrae, directors.

The club's regular meeting time is the first Friday of each

month at 8 p.m. at the home of a member. Fifteen attended last week's meeting.

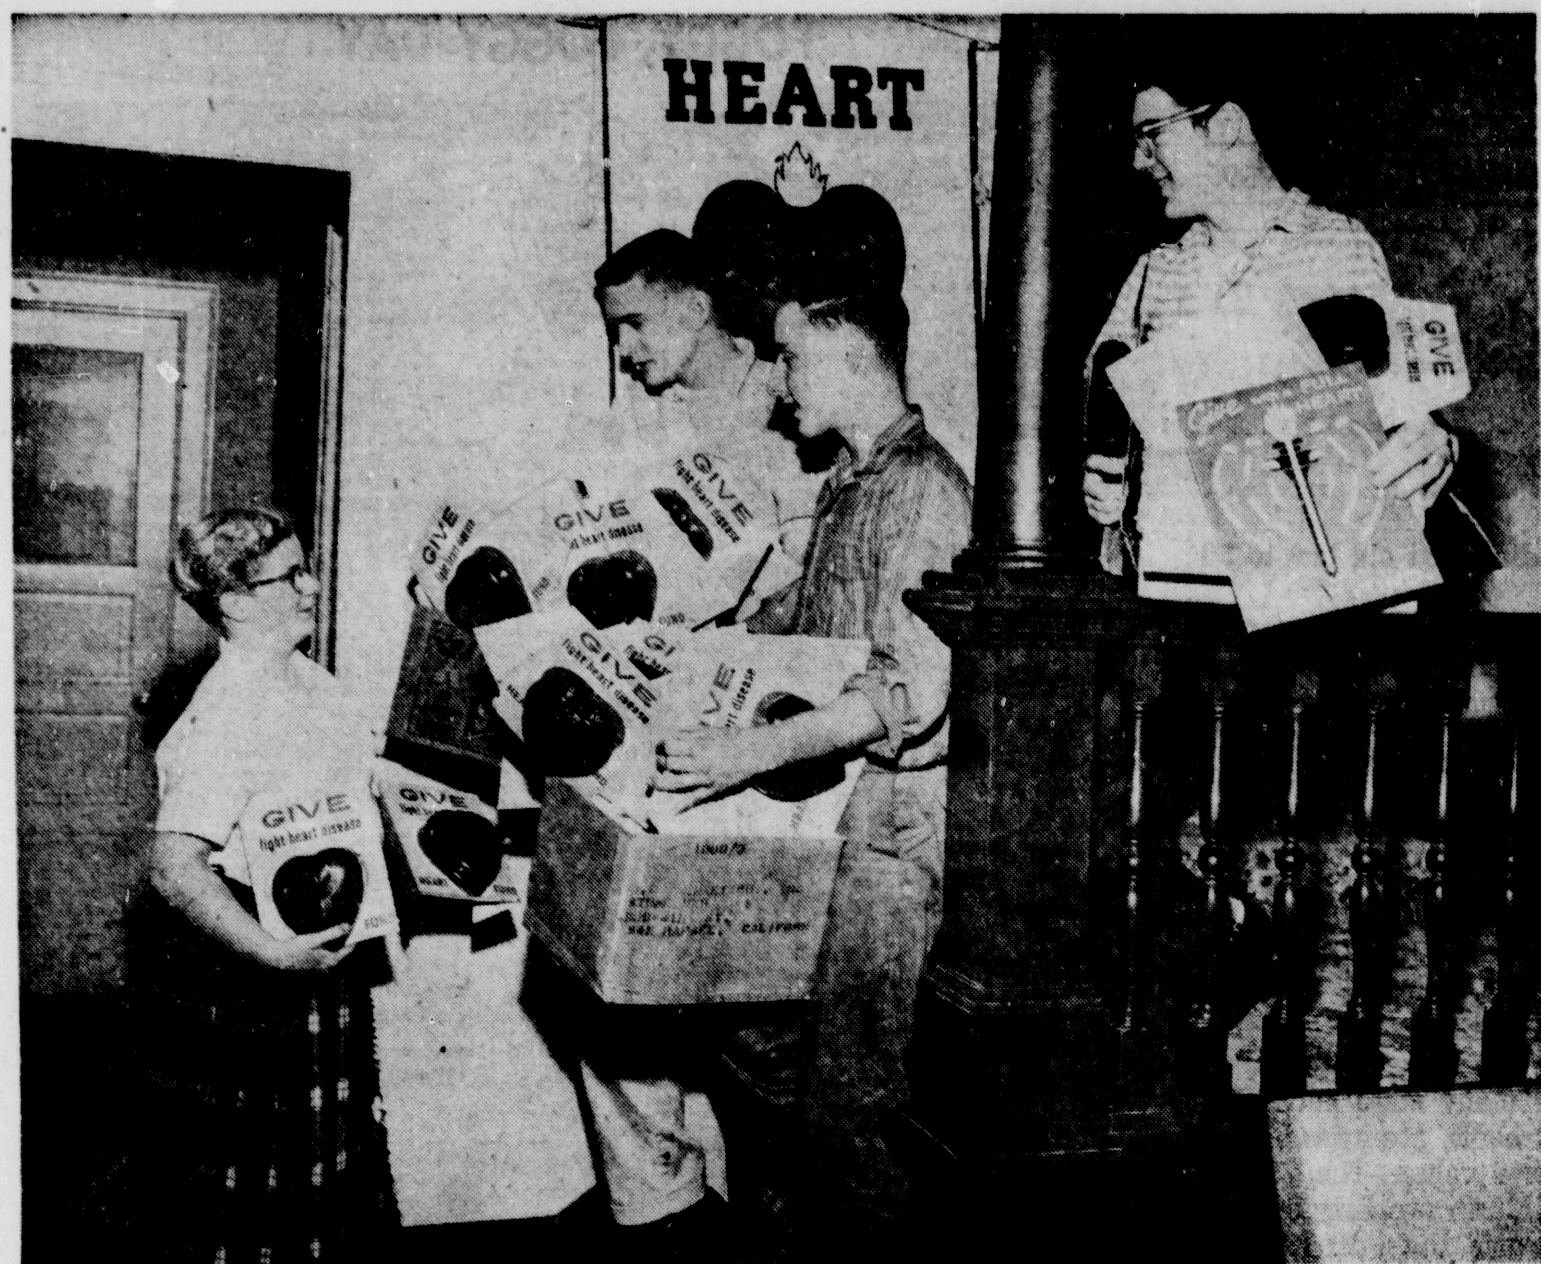

Mrs. Ralph McDonald of Novato gave a talk on standards of judging domestic short-haired cats.

### Ex-Marines Sought By Reserve Unit

The Marine Corps Reserve of Marin County needs former Marines, regular and reserve, now residing in Marin County as instructors and members of the 14th Rifle Company, Marine Corps Reserve Training Center in Kentfield.

The need for a large number of former Marines is caused by a change from a two-hour meeting on Wednesday evenings to an eight-hour drill twice monthly on Sundays. All former Marines receive double pay for their rank and time in service at the Sunday training sessions.

New billets are open for training non-commissioned officers, administrators, supply personnel, drivers, communication men, armorers and other classifications.

PLENTY OF HEART(S) — Students carry out plastic Heart Fund contribution boxes for placing in stores as part of month-long Marin County Heart Assn. campaign. From left are Sandy Hardie,

Walter Howard, Marvin Stauts and Pete Scovill. All attend San Rafael High School except Howard, who is a College of Marin student.

## WORLD NEWS IN BRIEF

### Algerians Boo Debre

ALGIERS (AP)—Young Algerian colonialists today greeted French Premier Michel Debre with cries of hostility.

Debre came to Algeria to quiet rightwingers incensed at President Charles de Gaulle's refusal to endorse integration of Algeria into European France's political system and his clemency to imprisoned Algerian nationalists.

### Siam Elects Boss

BANGKOK, Thailand (AP)—The new Constituent Assembly performed as expected today and elected Field Marshal Sarit Thanarat prime minister.

Sarit is the strong man leader of the ruling Revolutionary party. He headed the coup which ousted Premier P. Pibulsongram late in 1957. Last October, he disbanded the National Assembly and put Thailand under full military rule.

### U.S. Sells Arms

JAKARTA, Indonesia (AP)—The United States is selling Indonesia enough light weapons and vehicles to equip 20 new battalions, or about 14,000 troops. It is the first major sale of American military equipment to the island republic in several years.

The deal also includes one Navy ship-type not disclosed—and other Navy and Air Force items.

### Iraq Arrests Reported

DAMASCUS (AP)—Local press reports today said Premier Abdel Karim Kassem's new Cabinet has ordered arrests throughout Iraq, including scores of leading anti-Communists, tribal leaders and Arab nationalists.

The reports also said Sheikh Mohammed Mehdi Kubba had resigned from the sovereignty council, protesting that the Iraqi Cabinet now was Communist-dominated.

### Koreans Become GIs

WASHINGTON (AP)—Koreans are being added to the U.S. Army's troops in Korea.

A Pentagon spokesman said last night they are called "Kat-usas"—Koreans attached to the United States Army.

The spokesman said the Kat-usas work and train with U. S. troops and draw the same assignments as regular personnel.

### Power Line Kills 3

GAINESVILLE, Fla. (AP)—A charge from a 7,200-volt power line killed three University of Florida students attempting to erect a television aerial yesterday.

The dead were Robert L. Melrose, 25, of Orlando; his wife, Jamie Ruth, 21; and John B. Robertson, 25, of Gainesville. Robertson's wife, Gloria, was shocked and burned and in critical condition.

Officers reported the aerial toppled over, striking the power line.

### Debbie Leaves Hospital

HOLLYWOOD (AP)—Actress Debbie Reynolds yesterday was released from a hospital where she had been treated since Thursday for a blood clot on the leg.

### Down With Dandies

BANGKOK, Thailand (AP)—Thai authorities have clamped down on street-corner dandies who hang around Bangkok's theaters and coffee shops whistling at the girls.

Police, led personally by Premier Sarit Thanarat, have rounded up more than a hundred of the youths who affect duck-bill haircuts, permanent waves and loud shirts.

Two cabarets have been shut down, and a midnight closing hour has been set for all night clubs.

### Its' Contagious

THOMSON, Ga. (AP)—Sheriff Lynn Norris arrested Willie Hampton on a charge of stealing a radio from an ice house in October.

Hampton admitted the theft and took the sheriff to a vacant house where he had hidden the radio.

It was gone. Norris said someone had stolen it from Hampton.

### Famed Reporter Dies

NEW YORK (AP)—Meyer Berger, 60, Pulitzer prize-winning reporter and a legend among newspapermen, died yesterday. He was a columnist for the New York Times and a member of the paper's staff since 1928. Berger, who was born in New York, suffered a stroke Wednesday.

### Triple Celebration

BERLIN, N.H. (AP)—From now on Feb. 8 will have triple significance to Mrs. Ralph Gupit. Yesterday was her 20th birthday and her first wedding anniversary and she gave birth to her first child.

Her son weighed 8 pounds, 8 ounces.

### 3rd City To Integrate

RICHMOND, Va. (AP)—Alexandria completes plans today for integration of three public schools. Tomorrow, this northern Virginia city will become the state's third locality within eight days reluctantly to admit Negroes to classrooms in previously all-white schools.

State and local officials have expressed hope that the admission of nine Negro children to the Alexandria schools will be accomplished as peacefully as the entrance of 21 Negroes into Norfolk and Arlington schools a week ago.

### Flu Ravages Britain

LONDON (AP)—The worst epidemic of measles in nine years and a sharp increase in influenza today filled hospitals to capacity and forced already busy doctors to work emergency hours.

The smog that swept Britain last month brought its heavy toll of lung complaints, sore throats and just plain wretchedness. On its heels came an increase in cases of so-called four-day influenza.

The British Medical Journal said that 41,000 cases were reported in England and Wales during the first three weeks of January—compared with 9,000 for the same period in 1958. The epidemic showed no signs of abatement.

### Mindszenty Praised

VATICAN CITY (AP)—Pope John XXIII and the Roman Catholic Church paid glowing tribute to Josef Cardinal Mindszenty today on the 10th anniversary of his conviction by a Hungarian Communist court.

Carlo Cardinal Confalonieri, celebrating mass for a group of Hungarian refugees, compared the suffering of the church in Hungary to Christ's crucifixion.

He charged the Communists with subjecting their prisoners to "personality-splitting" tortures of which the ancient barbarians would have been ashamed.

### Chou Gets Russ Loan

TOKYO (AP)—Red China's Premier Chou En-Lai returned from Moscow today, bringing with him a promise of five billion rubles (nominally 1.25 billion dollars) worth of aid for the Peiping regime.

The Red radio reported Chou's return by jetliner from the Soviet capital, where he had gone to attend the 21st Communist Congress. It said he was accompanied by Ho Chi Minh, Red boss in Viet Nam.

The aid agreement, signed in Moscow Saturday by Chou and Soviet Premier Nikita Khrushchev, appeared to have scotched rumors of a rift between the Reds in Russia and China.

### Ike Vacation Ends

WASHINGTON (AP)—President Eisenhower returned to his White House desk today to face a busy schedule after a quail-shooting holiday in southern Georgia.

The President flew back to the capital last night, ending a five-day visit on the estate of former Treasury Secretary George M. Humphrey. The White House said he cut short the vacation by one day to take care of official duties.

### Quads Born In Mexico

COLIMA, Mexico (AP)—Quadruplet girls, born Thursday on an isolated ranch, were reported "doing well" today in incubators at the civic hospital here.

All four of the girls were named Maria after their mother, Maria Guzman—Maria Refugio, Maria de Jesus, Maria Guadalupe and Maria de Los Angeles.

They are the second quadruplets born in Mexico this year. Four infants were born Jan. 22 in Toluca.

### New Missile To Europe

BALTIMORE (AP)—The Mace missile, highly mobile, almost jam-proof and capable of skirting radar, is going to U.S. troops in Germany in the spring to replace the Matador.

The Martin Co., which built both missiles, said the Mace is a much improved version of the Matador—first operational guided missile delivered to the Air Force and now in front-line service in Germany, Korea and Formosa.

Mace, like Matador, is a surface-to-surface missile with a range of more than 650 miles and a speed in the neighborhood of 650 m.p.h.

## YOU CAN'T GET RID OF RIVALS THAT EASILY!

WASHINGTON (AP)—Early in the session, Sen. Russell Long (D-La.) found a moment when not a single Republican senator was in the Senate. Quickly he proposed Congress abolish the Republican party.

Ever since, Republicans have been waiting for their chance. Recently Minority Leader Everett Dirksen (R-Ill.) noticed that all Democrats were gone and announced he would propose abolition of the Democratic Party.

But, just then, Sen. Hubert Humphrey (D-Minn.) rushed in, calling, "I object."

## Class Slated In Detecting Radioactivity

A class in radioactive fallout detection will be opened by San Anselmo Post 179, American Legion, on March 3 at 8 p.m. in the Legion Log Cabin.

Start of the course was postponed at a meeting last week because not all the materials needed for the course had yet arrived, said Lawrence Schlosser, post commander.

Both men and women may take the course, which will train them in use of instruments detecting the extent of radioactive fallout in any area, said Schlosser.

If 15 to 20 complete the course, the county will receive from the federal government, without cost, a fully equipped trailer for use in tracing radioactivity, reported Donald A. Jensen, county coordinator of civil defense.

This will be the second such course given in Marin County, said Jensen. About 35 public employees completed similar training last August.

## Bogota Youngster Locates Mother

LOS ANGELES (AP)—A curly haired youngster who hiked through South American jungles in search of his mother flies to New Orleans today and a happy reunion with her.

Carlos Telmeo Lince Jr., 14, ran away from his home in Bogota, Colombia, last July because he did not believe his father's story that his mother had died years ago.

He came to Los Angeles, his birthplace, looking for clues. A news story carried on The Associated Press wires was read by his mother, Margie Hill, now working as a waitress in Crystal Springs, Miss. They talked to each other on the telephone Saturday.

Mrs. Hill has not seen her son in eight years. She and the boy's father, a Colombian airlines pilot, were divorced.

## Hub Woman Wins Appliances Galore In Nat'l Contest

Mrs. E. L. Faubel of 1 Kendrick drive, San Anselmo, was electrified today at the good news.

Her kitchen will be electrified too. Mrs. Faubel was announced as one of three second place winners in the national General Mills "Name the Kitchens" contest, conducted to promote sales of Betty Crocker cake mixes.

As her prize, Mrs. Faubel will receive a complete Frigidaire kitchen-laundry unit, which includes a refrigerator-freezer, double oven automatic range, dishwasher, clothes washer and dryer.

First prize, her choice of \$35,000 in cash or a "dream home," was won by Mrs. George Duff of Haverhill, Mass.

## Ray Taylor Heads Volunteer Firemen

Ray Taylor will head the San Rafael Volunteer Fire Department for 1959 as president, succeeding President Pat Nevans.

Taylor is a regular fireman. Other officers, all volunteers, are George Schaver, vice president; L. C. Brooks, secretary treasurer; Carl Augusto, sergeant-at-arms. Trustees include firemen Nevans, John Diego and George Poole.

San Rafael firemen's 85th annual ball will be held at Bermuda Palms on Feb. 21. Proceeds will go to the Firemen's Sick and Relief Fund. Gary Evers' nine-piece orchestra will provide music in the Flamingo Ball Room.

## Pilots Rest Up After 65 Days Aloft In Plane

LAS VEGAS (UPI)—Two pilots who set a new world's endurance record by staying aloft for nearly 65 days in a small plane were following doctor's orders today and resting up.

Robert Timm, Las Vegas hotel executive, and John Cook, an airline pilot from Los Angeles, landed their small single-engine Cessna 172 at McCarran Field Saturday 64 days, 22 hours and 3 minutes after taking off from the same field Dec. 4.

The time was a new record for a sustained flight, exceeding the old record by 15 days.

Dr. Edgar L. Compston examined both men after the flight and declared they were in good condition. He prescribed several days of rest.

Timm and Cook, both 33, who spent their time in the air flying between here and Blythe, with occasional flights over Los Angeles and Phoenix, had difficulty walking after landing.

They flew an estimated 150,000 miles—or about six times around the world—during the flight sponsored by the Hacienda Hotel as a fund raising stunt for the Damon Runyon Cancer Fund.

## Lawyers Still In Majority In Congress

WASHINGTON (AP)—Although they suffered a slight loss in last year's elections, lawyers still have a working majority of both the Senate and the House in the 86th Congress.

Their outnumber fertilizer distributors 288 to 1, congressional biographies listing only one member in the latter category. He is Rep. D. S. Saund (D-Calif.), who makes no bones about the fact that his business is "commercial fertilizer distributor."

LAWYERS' SEATS  
Lawyers have 59 of the Senate's 98 seats and 229 of the 436 in the House. In the last Congress there were 56 lawyers in the Senate and 234 in the House.

The presence of so many lawyers may account for the fact that it takes the proverbial "Philadelphia lawyers" to interpret so many acts of Congress.

Among the more than 20 congressional occupations listed by the legislative reference service are 51 business or manufacturing executives.

SECOND LARGEST GROUP  
They constitute the second largest group, with nine in the Senate and 42 in the House.

The field of journalism, including radio and television, is represented by eight senators and 23 representatives. Agriculture has five senators and 20 representatives, while education has seven senators and 18 representatives.

There are three accountants and six advertising and public relations specialists, all in the House. The Senate has one banker, while the House has at least five.

NO DENTISTS  
No dentists are listed in either branch, although there are seven doctors or pharmacists in the House.

Three senators and 16 representatives are listed as having made a career out of being public officials.

Five members, all in the House, have been labor leaders. Alaska's two senators proudly proclaim in their biographies that they have been gold miners.

Miscellaneous categories include one chemist, two funeral directors, three clergymen, an inventor, a landscape consultant, a linguist, a forester and a restaurateur.

## Civic League Board

The Kentfield Civic League board of directors will meet at 8 o'clock this evening in the College of Marin science building to hear a preliminary report on development of a Kentfield master plan, announced president W. Carroll Tornroth.

## Coast Chamber

A program for future meetings will be discussed by the Marin Coast Chamber of Commerce when it meets for dinner at 7:30 tomorrow at the Western Hotel in Point Reyes Station, announced H. M. Greene, secretary.

## INCOME TAX FACTS

## First \$50 Dividend Not Taxable Income

By PETER J. WIKEL, CPA

The first \$50 you receive in dividends is not taxable income nor is the first \$100 on a joint return if both husband and wife have dividend income.

The exclusion applies only to dividends received from life insurance companies, China Trade Act corporations and tax exempt corporations.

Dividends from mutual savings banks, cooperative banks, domestic savings and loan associations and federal savings and loan associations are not excluded. Dividends from these organizations on deposits and withdrawable accounts are interest and must be reported on page 3, schedule B of the tax return.

Dividends from foreign corporations and from foreign

trading corporations do not count.

Where a joint return is filed and both spouses have dividend income, then each may exclude up to the first \$50 of dividend income received.

Dividends in excess of \$50 are subject to a credit of 4 per cent which is computed on page 4 schedule J and then is deducted directly from the tax on line 13 (a) page one of the tax return.

The credit is actually 4 per cent of the dividend income, less the exclusion of the first \$50 or \$100, as the case may be, or your total income tax, or 4 per cent of your taxable income, whichever is the smaller.

## Tax Men Will Assist With Returns Here

Representatives of the Franchise Tax Board will be at the office of the staff judge advocate at Hamilton Air Force Base on March 25 and at the San Rafael City Hall on April 1 and 2 to assist persons in filing 1958 state income tax returns.

The hours will be 8:15 a.m. to 5 p.m.

## EXPLORERS AUDITION FOR NEW KTIM PROGRAM

From among this group of Explorer Scouts will be chosen the announcer for a new KTIM radio program, "Marin Scouters' Roundtable," to go on the air each Saturday at 8:30 a.m. beginning this week—which is Boy Scout Anniversary Week. At microphone in picture is Lee Bartl of Sea Scout Ship 20, Santa Venetia. Others auditioning are (from left) Brian Muth of Explorer Post 34, Mill Valley; Don Jacobs of Post 51, Greenbrae; Bob Tal-

madge of Post 9, Belvedere-Tiburon; Jim Purcell of Ship 20, Santa Venetia; Bub Zumwalt of Post 51, Greenbrae; Dave Cannon of Post 56, Novato, and Jay McInnis of Post 4, San Rafael (standing). Outside window are Scouters Philip Haring of San Anselmo and Howard W. Schoff, assistant executive of Marin Boy Scout Council. Winning announcer probably will be named tomorrow, said Hugh Turner, KTIM manager. (Independent-Journal photo)

PREPARE FOR TV SHOW — Pianist Grant Johannesen, musical director Donald Voorhees, and opera star Rise Stevens, go over the program of American music to be featured on the Bell Telephone Hour over KRON-TV, at 8 o'clock tomorrow night.

## Doctors To Talk About Heart Ills On KTIM Program

Heart attack is one form of heart and circulatory disease. Discussing this threat and other forms of heart diseases will be three Marin doctors during "Open House with Kitty Oppenheimer" over radio station KTIM on Wednesday at 11 a.m.

Coronary artery disease caused by atherosclerosis (hardening of the arteries) will be discussed by Dr. Thomas Stone, Mill Valley internist; hypertensive heart disease (high blood pressure), by Dr. Donald Barbour, San Rafael internist, and heart disease in children—congenital malformations and infectious diseases, by Dr. C. R. Leininger, San Rafael pediatrician.

The program is being sponsored with the cooperation of the Marin County Medical Society.

Diseases of the heart and circulation continue as the leading cause of death and disability in the nation. Supported by Heart Fund dollars, doctors and scientists continue to fight the heart diseases through research.

The 1959 Heart Fund drive in Marin continues throughout February, with the high point on Feb. 15, Heart Sunday, with a door-to-door canvass.

## Visitors Bureau To Hold Dinners

A series of dinner meetings with county chamber of commerce members is being planned during the spring by the Marin Visitors Bureau.

The meetings will be to familiarize business people with the benefits accruing to county firms from bringing visitors to Marin.

A special magazine promoting visitors and home buyers will begin monthly distribution in the county and Bay Area in April, said Richard L. Shirley, visitors' bureau manager.

## Jazz, Classics On TV Revue Of U.S. Music

The "Bell Telephone Hour" will present another in its series of hour-long music specials in color at 8 o'clock tomorrow night over KRON-TV.

Coming as it does just prior to both Lincoln's and Washington's birthdays, the program will be patriotically seasonal: an American Festival, from jazz to opera.

DUKE AND ELLA Duke Ellington and Ella Fitzgerald will be teamed for the first time on television to present some of the classics of American jazz. From the American concert stage comes Utah-born Grant Johannesen, who will perform the final movement of George Gershwin's "Concerto in F."

Rise Stevens will sing selections from American classical music. Miss Stevens is well known as a glamorous star of the Metropolitan Opera, where her outstanding portrayals of the sultry Carmen have brought her great fame.

COMEDY SONGS Representing musical comedy on the program will be Martha Wright and Russell Nye, both of long standing popularity on Broadway. They will pair to give a run-down of famous love songs from musical comedy.

The New York City Ballet will dance a special television version of its "Stars and Stripes," the exciting and colorful ballet set to the stirring marches of John Philip Sousa.

Supporting all of these will be one of America's most famous conductors, Donald Voorhees, with the Bell Telephone Orchestra.

## Reserve Officers Assn. To Meet Thursday

A meeting of Marin Chapter 27, Reserve Officers Assn., will be held Thursday at 8 p.m. at 119 Greenfield avenue, San Anselmo.

## Senator Opens Fight To Cut TV Commercials

SACRAMENTO (UPI)—A first-term state senator got set today for a knockdown fight on dragged-out television commercials.

Sen. Stanford C. Shaw (D-Ontario) said he would introduce a bill in the Legislature this afternoon to cut down the length and number of TV commercials.

Shaw admitted his bill might get sandbagged later in the courts. "But I'm going ahead," he said. "There's nothing wrong with giving it a try."

"Human beings can see we're being abused here and it's time we did something about it."

2-MINUTE LIMIT Shaw's bill would limit the duration of television commercials to two minutes and would require that they be spaced at least 10 minutes apart.

The senator said he was especially interested in "breaking up the logjam of commercials" at station breaks and curbing "long-winded auto huckstering."

He said he had timed some station break commercials at six minutes and felt they should properly be limited to two minutes.

INTERSTATE ONLY The senator's measure would affect only programs telecast within California—local news and variety shows and re-run movies.

"If a show is part of an interstate hookup, you can't touch it," Shaw said. "I'd like to, but I can't."

He said that to supplement his bill, he later would introduce a resolution in the Legislature calling on Congress and the federal government to impose similar standards on network television.

Shaw insisted he was not in favor of subsidized television. "I realize programs have to be paid for," he said, "and I don't recommend government operated TV, but there should be

a modicum of fair play with the customers."

The first Democratic state senator from San Bernardino County since 1879, Shaw said he wished to make one point clear: "I own no stock in pay-as-you-go television."

"My financial interest in the television industry is limited to one slightly used portable set."

## Telephone Man Honored For Brave Action

Local and state dignitaries joined with Pacific Telephone and Telegraph Co. executives Friday night to honor J. Stanley Woodward, 31, Mill Valley telephone man, recipient of one of the Bell System's highest honors for public service.

He was presented with the system's silver Vail Medal and \$1,000 cash award at public ceremonies at the Outdoor Art Club.

Woodward, a telephone installer-repairman, was honored for his rescue in December, 1957, of a man who had blacked out while working in a tall tree in Mill Valley.

The Vail Medal was presented by G. V. Leftwich, Pacific Telephone and Telegraph Co. division plant manager, and the lapel pin by State Sen. John F. McCarthy. The award certificate was given Woodward by Walter R. Castro, chairman of the Marin County Board of Supervisors. R. C. Frey, the company's general plant manager, made the \$1,000 cash award.

George M. Dean, Pacific Telephone vice president and general manager, unveiled a plaque commemorating the act of heroism. S. N. McLaughlin, district plant manager and master of ceremonies for the occasion, accepted the plaque for the district and will have it mounted in the headquarters office in San Rafael.

Robert D. Huber, Mill Valley mayor, officially welcomed guests to the ceremonies.

## Reed Summer School To Be Discussed

Courses to be given in the Reed Union School District summer school will be discussed at the trustees meeting today at 8 p.m. in the Tiburon boulevard district offices, according to Supt. Paul R. Stouffer.

A report on pupil distribution and class schedules for each school next year and a discussion of district transportation problems are also on the agenda, he said.

It is expected that trustees will authorize the call for bids for Bel-Air School classroom construction.

Returns from the Bel Aire school questionnaire on whether parents wish cafeteria facilities will be reported by Stouffer. Also scheduled is further discussion of the summer workshop for teachers.

## Painting Exhibit Starts Feb. 27

Joseph Raskob, internationally known painter, will exhibit 27 oil paintings and sketches at the Northwestern Savings and Loan Assn. office in San Rafael beginning Feb. 27 and continuing through March 6. The exhibit will be the same as the one now being held at the Crocker Art Gallery in Sacramento.

Raskob, a naturalized American citizen, has visited and studied in many countries.

## Novato Youngsters Taking Fitness Tests

Novato school children, from fourth through eighth grades, now have an opportunity to match their physical prowess against national standards.

A youth fitness program, as provided through the Novato Junior Chamber of Commerce, got underway this month during physical education classes at Novato schools.

With a few modifications for the fairer sex, boys and girls alike will strain at pull-ups, sit-ups, push-ups, broad jump and softball throw. They will be competing with standards com-

plied by professors of physical education at the University of Minnesota.

Ralph Giovannelli, coordinator of instruction for the district, said that continuous records will be kept of the students' abilities to do the exercises so that achievement may be noted from year to year.

The Junior Chamber of Commerce will present certificates to students who complete all five events in the test, said Donald Tallitsch, chairman of the Jaycee-sponsored program. The testing is expected to continue for about three weeks.

## Bill To Eliminate 4-Year State Colleges Considered

SACRAMENTO (UP) — A bill to eliminate four-year state colleges and substitute two-year upper division schools in the future is a distinct possibility in this session of the Legislature.

Sen. Nelson Dilworth (R-Hemet), chairman of the Senate Interim Education Committee and a member of the standing committee, said he is studying such a move and committee members appear to favor such a proposal.

"It's not our reasoning," Dilworth said, "to destroy or to cripple the California education program."

"However," he added, "more than one-half of the two-billion-dollar state budget for 1959-60 is devoted to education and the demands for more state colleges is expected to increase. There has to be an attempt to make better use of the money and to hold down the cost to the taxpayer."

If the bill goes in, Dilworth said, it would be a committee bill and would be aimed at boosting the role of junior colleges in the state's education program.

The State Department of Finance cited the condition in Orange County as a sign of things to come "when there will be a state college at every cross road unless something is done soon."

"There's the University of California campus at Riverside," one finance official said, "and only 25 miles away the Orange State College at Fullerton which is only 20 miles from the state college at Long Beach. In addition there are plans for another University of California campus in Orange County."

"Every legislator," he concluded, "comes to Sacramento with a bill for another state college in his hip pocket."

"State colleges," Dilworth pointed out, "are supported entirely by money from the state. Junior colleges on the other hand," he added, "receive about 30 per cent of their money from property taxes in local school districts."

"In effect," Dilworth said, "residents of an area with a state college but no junior college are getting a free ride for the first two years of college education."

Sen. John Murdy (R-Santa Ana), also a member of the education committee, pointed out the increased cost to the state of maintaining state colleges.

"It cost the state an average of about \$800 a year for each state college student. However," Murdy added, "it costs the state only about \$500 a year for each student in a junior college."

State Department of Education figures on the number of lower division students in state colleges last year showed 19,000 such students.

Murdy also said that statistics show that "it costs a parent hundreds of dollars less each year to keep a child in a junior college as compared to a state college."

## Labor Unit Backs Tam Tax Increase

The Marin County Labor Council endorsed the proposed tax increase for Tamalpais High School District at a meeting last week and urged all union members to vote on Feb. 17.

In announcing the endorsement, president Leonard Wesel said the council recognized the difficulty in maintaining the present scholastic standards with a decreasing per capita income per student.

## Sheriff's Aide Will Attend FBI Academy

Inspector Marco (Mike) Melovich, 39, of the sheriff's office will head for Washington in March to attend the Federal Bureau of Investigation National Academy for three months.

On the recommendation of Sheriff Louis P. Mountanos, Melovich is expected to get formal approval from the county board of supervisors tomorrow to study at the FBI Academy from March 11 to June 3.

This is the first time that a man from the sheriff's office will attend the FBI Academy, Mountanos announced. Melovich will be the fourth man from Marin County to attend the academy. The others have been San Rafael Police Chief Frank Kelly, Larkspur Chief Howard Clark and Asst. Chief Sam Serio of San Anselmo.

Melovich, who lives at 646 Peach street, Novato, has been a sheriff's deputy for six years. He has been doing inspector's work for about three and one-half years.

He will spend 10 weeks at the academy in Washington, D.C., and two weeks in fire-arm training at Quantico, Va.

## Nurse To Get Cap

## Enemark To Address Marin Realty Board

"Money — What Can We Expect In 1959?" will be the topic of a talk by Fred E. Enemark, executive vice president of the Marin County Savings and Loan Assn., to the Marin County Real Estate Board at an 8 a.m. breakfast tomorrow at King Cotton restaurant, San Rafael.

## SINCE 16TH CENTURY 9 Flags Have Waved Over California

SACRAMENTO (AP) — How many flags have flown over California? The answer is nine. But how many can you identify?

Of course, there's the flag of the United States. It was first raised by Commodore Sloat at Monterey in 1846—when there were 28 states.

Then there's the Bear Flag of the California Republic, still flying at every public building. It was created at Sonoma in 1846 during an abortive revolution against Mexico. It was made the state flag in 1911.

John Charles Fremont, then an American Army captain, carried a special flag during his explorations in California in the 1840s. It was like the Stars and Stripes, but instead of the stars it showed an eagle with a peace pipe in its beak.

For 24 years before 1846, California was under the red, white and green flag of Mexico. From 1812 to 1841 the Russian flag flew over Fort Ross until Capt. John Sutter bought the place.

For 16 days in 1818, Monterey was held by the pirate Hypolite Bouchard, who flew the flag of Buenos Aires over the city.

Going back in time, it was the red and yellow flag of Spain over California from

1785 until 1822, when Mexico won its independence and took over the territory.

For 37 days in 1571, the flag of England was flown by Sir Francis Drake on his voyage to California.

Twenty-nine years before Drake, the Spanish explorers had planted the personal standard of King Carlos V on California soil.

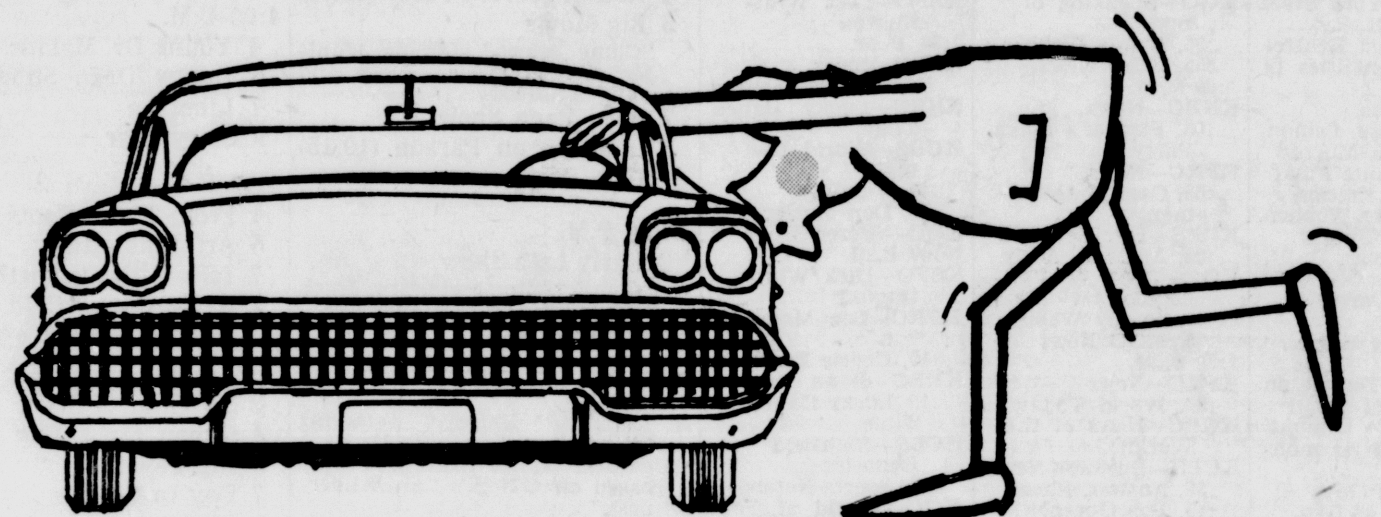

If you're interested, you can see all nine flags hanging on the second floor rotunda of the Capitol in Sacramento.

## Committee On Race Bias Meets Tonight

The Marin County Committee on Racial Discrimination will meet at 8 o'clock in the county courthouse to discuss its first report to the county board of supervisors.

Commission member Steven H. Warshaw said the group also will continue to take testimony from members of minority races who have encountered discrimination in real estate sales.

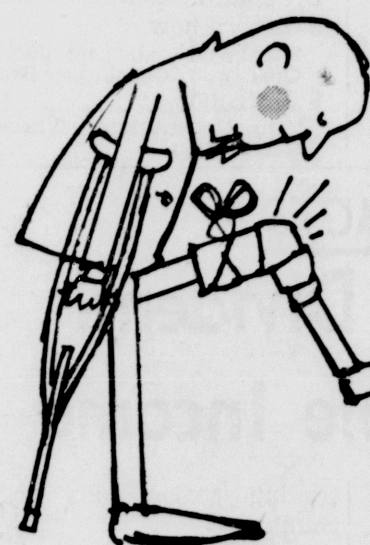

Warshaw said the Marin County Real Estate Board has again been invited to send a representative to the meeting. Real estate dealers invited to committee meetings in the past have not attended.

**ENTER-PHOBIA.** This new ailment besets you when you try to get into other '59 cars. Do you back in? Crawl in? Fall in? It's hard to tell which. But Mercury has the right remedy: door openings are 6 inches wider. There's up to 2 inches more head clearance. You step in easily—without a twinge.

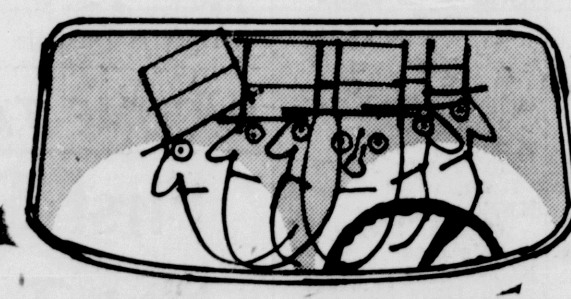

**BACK-SEAT BOUNCE.** The only cushioning many '59 cars could squeeze in over their high floor hump is a layer of spring and a jute pad. But Mercury's lowered hump made space for full cushioning.

**DOOR-ITIS OF THE KNEE.** Other '59 cars have jutting windshield posts that threaten to de-cap your knees! But Mercury moved that windshield post forward 2 inches. It's easy to step in without hitting your knee.

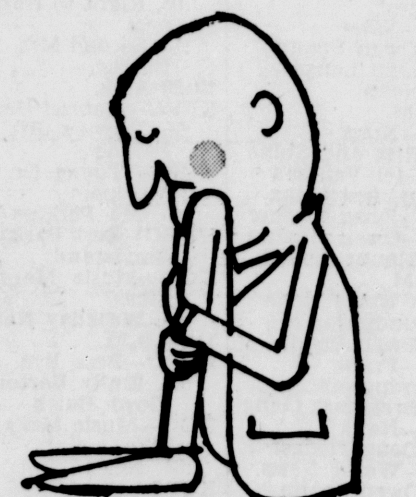

**PROBLEMS YOU'LL HAVE TO LIVE WITH IN EVERY NEW CAR EXCEPT MERCURY**

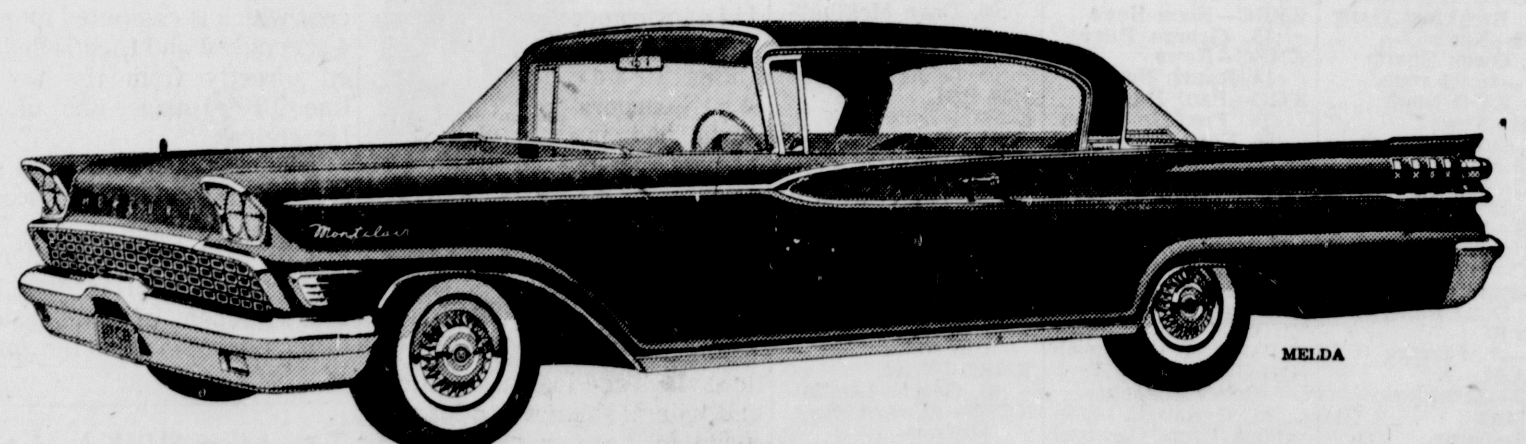

**STORMY-WEATHER TWITCH.** Wipers in other cars do not clear the center of the windshield, so you have to peek through 2 fan-shaped sections. But Mercury's wipers have an overlapping pattern—clear a five-foot swath—including the center. You drive relaxed in all kinds of weather.

**CLOSE-TOGETHERNESS.** Other '59 cars make friendships too close. But Mercury moved the dashboard forward for 9" more knee room. There's more leg room, more elbow room—more usable room all around.

**MIDDLE-MAN CROUCH.** That hump in the floor of other '59 cars is now larger than ever. It makes the man in the middle sit with his knees at his chin. But Mercury cut the hump in half! Now the middle man has room to stretch out.
